## No Set Back To Party, Urs

(From Our Correspondent)

**Bangalore, Aug. 8**  
Congress (U) President Devaraj Urs said today that the resignation of KPCC (U) President Haranahally Ramaswamy from the party would have no effect on the party but would only boomerang on Sri Ramaswamy and his followers.

He denied that Sri Ramaswamy had shown any inclination earlier to quit the party. So far no member had told of him of his decision to leave the party, Sri Urs said

The Congress (U) President later left for Delhi to take part in the party's Working Committee meeting on Aug. 10.

Sri Urs, who toured the affected parts of Northern Karnataka, wanted all those persons arrested in connection with the ryots' agitation should be released and compensation paid to the victims.

## Flavoured Tea

**Mysore, Aug 8**

The Central Food Technological Research Institute has developed know-how for a variety of flavoured tea beverages.

It has developed a laboratory scale process for incorporating natural essential oils into the tea. An important feature of this method is that the rich flavour notes of the essential oil blend smoothly with natural tea flavour. Rose, cardamom, ginger, Bergamot, orange and lime flavoured tea beverages have been prepared and found acceptable.

In view of the advances made by the Institute in developing know-how for a variety of flavoured tea beverages, the Tea Board has sponsored a time-bound research project for up-scaling the laboratory process for commercial use.

Flavoured teas are in use in USA, the UK and other West European countries. Their popularity has increased in recent years.

**HOTEL OWNERS' ASSOCIATION (R)**

MYSORE CITY

**For Public Attention**

Our Government is not supplying any food articles such as Sugar, Rice, Edible Oils, Cereals, etc. to our industry at controlled prices. On the contrary, they are charging heavily on the supply of Electric Energy and Drinking Water at Commercial Rates.

In the event of disturbances in our country, the movement of railway wagons would be disrupted. Immediately food articles become scarce in our market and prices soar multiple times. Thus we are completely helpless in the prices and availability of articles we use in our preparations.

As per the decision taken at the meeting convened by our Deputy Commissioner and also attended by Students, We have REDUCED from 10-8-1980, the prices of Idli, Set Dose, Khara Bhat, Poori and Chapathi to the Old Rates prior to 16-7-80 and 50% in the prices of other items where the enhancement was more than 5 paise. Even though we are economically burdened, this is a sacrifice in the present juncture.

**MSG Suggests Ryots' Commission**

Mysore, Aug. 12

Sri M. S. Gurupadaswamy, member of the Janata Party National Executive, today suggested the setting up of a permanent farmers' commission to study and tackle the problems of the farmers in the State.

Addressing a press conference, he said the problems of the farmers needed to be looked into objectively. A separate body therefore was required to study and understand their problems so that they could be tackled effectively. The commission, which could be a model to other States, should be a statutory commission.

Blaming the State Government for underestimating the farmers' movement, he expressed his apprehension that the unrest might spread in the State. He regretted that even the Opposition had failed to comprehend the whole problem.

Sri Gurupadaswamy demanded that the Gundu Rao Ministry should resign on the Vijayanagar Steel Plant issue. The prestige of the Ministry rested on this having adopted a resolution thanking the Centre for allocating Rs 60 crores for the steel plant, which later turned out to be a meagre Rs 30 lakhs.

**Cycle Race**

Mysore, Aug. 12

The H. Nanjiah Memorial cycle race, organised by the Yuva Juna Sangha, will be inaugurated tomorrow at 9 a.m. in front of Mathru Mandali Junior College, V. V. Mohalla, by Sri H. N. Ramathirtha, Managing Partner, Shringar Aromatics. Sri Gangaram, Commercial Tax Officer, will preside.

**CARTER TO BE THE NOMINEE**

Senator Edward Kennedy last night announced that he had withdrawn as a candidate for the Democratic Presidential election following his defeat in a crucial vote in the party's convention. His withdrawal from the race doubly assures President Jimmy Carter's renomination.

The same evening at 6-30, the first anniversary of the Sangha will be inaugurated by Sri L. Revanna Siddaiah, Police Superintendent. Smt. Dejjamma, President, Urban Youth Federation will address.

**Mysore Races From Aug. 16**

Mysore, Aug. 12

The 19 day annual race season of the Mysore Race Club starts from April 16

Club Chairman F. K. Irani told newsmen yesterday that over 400 horses were expected to run this year and 200 of them had already arrived. Four new trainers Capt. J. Fownes, P.M. Corner, R.R. Reddy and L.N.R. Jadov will bring their charges. These will be in addition to the usual 33 trainers.

The stakes money this year had been increased from Rs 22.32 lakhs to Rs 23.91 lakhs. This amount included Rs 1.03 lakhs being the value of cups and trophies.

Among the jockeys who will be donning the silks will be Jagdish, V. Shinde, Alford, Barclay and Murtugah, while R. Corner and N. Reuben are also likely to put in their appearance for classics and other prestigious races, he said.

The prestigious Mysore Derby is scheduled for Oct. 12 and the stakes money to be paid to the winner of this classic will be over Rs 1.50 lakhs. Some of the classics and prestigious races are: Maharaja's Gold Cup (Aug. 24), Mysore 1000 Guineas (Sept. 7), Mysore 2000 Guineas (Sept. 21), Governor's Gold Cup (Sept. 27), Jayachamaraja Wadiyar Gold Cup (Oct. 4), Chief Minister's Gold Cup (Oct. 11) and Mysore City Gold Cup (Oct. 18).

## Swara Murthy V.N. Rao

(K.T. Ramaswamiengar)

Mysore, Aug. 12

The news of the death of Swara Murthy came as a shock to all of us who saw him address the first Music Conference held here only a week ago.

Trained in two styles of Veena, that of Seshanna, his grandfather, and that of his Guru, Subbanna, the two outstanding masters who brought repute to Mysore, Rao shot into prominence even as a boy in Swara singing and hence was called Swara Murthy.

He was patronised by the Maharaja of Mysore and after that patronage disappeared, he shifted to Bangalore where he was in more fortunate circumstances. Honours came to him, and just at a time when he could contribute with his rich experience to the world of music, the cru-

hand of fate takes him away. Sixty-three in these days of pills and poisons is no great age to depart from the world. In his end, a veteran who could speak and demonstrate the Mysore style with authority is gone. No one can divine when or how the end comes. Many of us his friends, feel sorry that a learned man in the field of music is cut off abruptly. All that we could do is to pray to God to give his soul peace. God cannot deny that to this soul as it is reported that he was uttering the name of God in his last moments.

### Hoteliers Defend Hike In Rates

Mysore, Aug. 19  
The hoteliers today defended their recent increase in prices of eatables.

At a news conference, Association Vice-President B. Jagadish Prasad said that the prices of all commodities had gone up and hence, it had become inevitable for them to increase the rates.

However, in view of the decision taken at a meeting convened by the Deputy Commissioner, in which student representatives had also participated, they had reduced the prices of certain items.

Sri Prasad said it was wrong to say that the hoteliers were "milking" money.

Secretary A. Prabhakara said the Association had about 150 members.

At the general body meeting on Aug. 15, the following were elected office bearers of the Association for 1980-81.

## YOUNGSTERS IN MUSIC CONFERENCE

Mysore, Aug. 19

On July 31, Kum. Vina and Kum. Vijaya were given a chance to sing together in the first State level Vasudevacharya memorial music conference held at Krishnamurthy-puram Srisrama Mandira.

Kum. Vina and Kum. Vidya are the daughters of Prof. R. Visweswaran of the Fine Arts College, Mysore University. In view of their talent, they have been granted scholarships by the Central Government to pursue music. They are already well known as young and rising musicians.

They sang well on that day, particularly the Kalayani Kirtana Nannu-brotu-talli and the Madhyamavati Kirtana composed by their father in Tisra gati. Their ability to manage difficult rātas and difficult patterns and Madais of Swara singing were potent. Everyone felt that there was a bright future for these young sisters who come from a family of musicians.—KTR

**"The Glacier Fox"**

The K.C.N. Enterprises of Bangalore have released the film "Glacier Fox" at Lakshmi and Prabha picture houses in Mysore. The film deals with the life and struggle of a family of Japanese fox.

Shot in the beautiful locations of an island in Japan, the film narrates the story of Flep, the male fox, its finding of a mate, Leila, in the glacier surroundings. Leila becomes pregnant and becomes the mother of a litter of five pups, namely Sirica, Lepun, Nupri, Russam and Chinita, the last one being blind.

One day, by chance, Chinita leaves the place and drowns itself in the sea. Misfortune follows one after the other. Leila gets hurt in a trap and dies. Taking up the responsibility of Leila also, Flep brings up the off springs and when they grow up sends them out into the wide world to look after themselves.

The film depicts an interesting study of animals in their natural settings. It has a scintillating music. The film will interest all animal lovers. Educational institutions interested in screening this film in 16mm may contact Sri K.G. Somashekar.

## Successful Piano Concert

**Mysore, Aug 21**  
A piano recital was given by Shri Michel Vachha at the Palace on last Sunday under the auspices of the Mysore Music Association, and in the distinguished presence of its Chief Patron, Sri Srikrishnadatta Narasimharaja Wadiyar.

Shri Vachha, a young Indian musician of Parsi and French parentage, presented a well-balanced programme which began with pieces by Cimarosa and Clementi, two Italian composers of the early 18th Century; they were followed by a piece composed in this century, viz. Bela Bartok's Suite (Op.14). The second half of the programme consisted of some romantic pieces of the 19th Cent. A Rhapsody

(Op.79, No.2) by Brahms, and four popular pieces by Chopin.

It was a very good performance on the whole, and won the appreciation of the audience. Shri Vachha showed a considerable technical mastery over the keyboard in his rendering of Bartok's Suite, and of the three "encores" he was called upon to play after the scheduled programme. He seems to be developing into something of a specialist in early Italian music which was rendered with a nice classical touch. He was also able to evoke the quietly reminiscent, but by no means placid, mood of Chopin's nocturnes. The programme ended with a rousing performance of Chopin's "Military" Polonaise (Op.40). (KMD)

(From Our Correspondent)

**Bangalore, Aug. 26**

The State Cabinet which was scheduled to meet this morning is meeting in the evening. There will be a press briefing later.

### Patriotism in Indian Culture

**Mysore, Aug. 26**  
The spirit of patriotism and independence of the motherland are ingrained in the culture of the Hindus. Independence really means the performance of one's own duties and functions without any let or hindrance, declared Vidwan A. S. Venkatanathan, Lecturer in Sanskrit, Manasagangotri while speaking at the Sarvabhasha Saraswathi Sangha here recently.

Sanskrit or culture is the process of improvement of the individual, it is the refinement of one's conduct, and attitudes in relation to other members of the society; it is the channeling of one's ideas and actions along proper lines leading to the happiness of all persons, he said.

Prof. M.V. Jambunathan, President of the Sangha welcomed the gathering. Sri S. Raghavan, Lecturer, Sarada Vilas Teachers' College proposed a vote of thanks.

## Kollegal Sugar Unit May Be Closed

**Mysore, Aug. 27**

Sri Mahadeswara Co-operative Sugar Factory at Kollegal in Mysore District, with a Government investment of Rs 5 crores, will be wound up lock, stock and barrel if the sugarcane growers in the region covering seven taluks failed to supply sugar cane to the factory. Deputy Commissioner and Factory Chairman S. Krishna Kumar said yesterday.

Addressing a press conference, he said that with the prices of jaggery ruling high in the market, the farmers in the area were diverting the cane to the manufacture of jaggery. As a result of this, the supply of sugar cane to the factory was only 150 tons a day where as its crushing capacity was 1,250 tons. The factory had started crushing on Aug. 17 and so far only Rs 25 lakh worth cane had been supplied to it.

He said the factory was paying Rs 175 a ton to the farmers this year as against Rs 145 last year. The farmers were demanding Rs 300 a ton the rate which no factory could pay. Although, the farmers had been educated on the legal and moral aspects, they were still under the impression that they could sell the cane to jaggery manufacturers now and when the prices came down, resume

supply to the factory.

The Government, which had invested Rs 1.5 crores this year alone, had a right to expect that the factory would run and the farmers discharge their responsibility as per the agreement. If the farmers want the factory to remain in their area, they could even now co-operate. Otherwise, the Government would have no option but to sell away the factory.

Sri Zafar Saifulla, Secretary Rural Development and Co-operation, who was also present at the press conference, said that no other sugar factory in the State was starved of sugar cane like the Kollegal factory. At all other factories, the growers were supplying sugarcane at the stipulated rates.

## JSS Mutt Plans Yoga Centre

**Mysore, Aug. 27**

Moral education should be introduced in the present education so that an awareness of "Manava Dharma" was created. Sri Shivaratri Rajendra Swamiji of Suttur Mutt said yesterday.

Addressing a press conference on the eve of his 65th birthday tomorrow, Swamiji said that education should spread to rural areas. Education should not be for the purpose of seeking job alone. It should be for acquiring knowledge.

There was unhappiness and a sense of insecurity among the people in the country because man had neglected "Manava Dharma" and God, he said.

Sri H. Gangadhar, M.A., explained the achievements of the J.S.S. Institutions and the services rendered by the Swamiji during the last four decades in education and spiritual levels.

The temple complex at Suttur, where the Samadhi of the Adi Jagadguru was located, was coming up under the patronage of the Swamiji. The Swamiji proposed to make it a meditation centre on the model of Anubhava Mantap. A yoga centre was proposed at Gurukula, near the Chamundi Hills, he said.

### Efficacy of Raja Yoga Explained

Mysore, Aug. 30  
Yoga which literally means 'joining' is a system of mind-control propounded by Sage Patanjali to enable one to lead a healthy and happy life in this world and attain moksha or salvation by joining or merging with the God head, declared Sri A. V. Gundu Rao, Development Officer, LIC, while speaking at the Sarvabha sha Saraswathi Sangha here.

Patanjali's Yogic system is based on scientific principles which are being appreciated and practised by Western thinkers and medical men. It is called Raja Yoga or Kundalini Yoga. It consists of eight stages, namely, Yama, Niyama, Asana, Prana-yama, Pratyahara, Dharana, Dhyana and Samadhi, the last of which leads to God-realisation.

Allopathic doctors also recommend to heart patients the practice of Pranayama which is the effective way of breathing. Raja Yoga activates the Muladhara chakra or the rectal plexus whereupon the latent energy in man is released and gradually travels through the spinal chord augmenting the physical and spiritual strength, said Sri Rao. Prof. M. V. Jambunathan welcomed the gathering. Sri R. Krishna-swamy proposed a vote of thanks.

### No Need For Pessimism

JP Chief Tells Party-men  
Mysore, Sept. 4  
Janata Party President Chandra Shekhar yesterday called upon party workers to get united to protect democracy in the country in view of the demands made by some Congress (I) leaders for reintroducing emergency.

Inaugurating the divisional level conference of party workers, he said the Janata Party workers could not sit idle and watch the situation. They had to prepare themselves to meet the challenges being posed by the ruling party.

Sri Chandra Shekhar said people were disillusioned by the seven-month rule of the Congress (I). Many lives had been lost in police firings in several parts of the country. The law and order situation was worsening. Minorities were not being protected. Prices were reaching record levels. The situation was aggravating on all fronts.

Instead of tackling these problems, the Congress (I) was alleging that there was the hand of foreign powers in the riots. Smt. Gandhi, therefore, had no moral right to continue in office, he said.

He said those leaders who were responsible for the disintegration of the Janata Party and its Government were now pleading to do something to save the country. His party would have nothing to do with them, unless they repented for their past actions.

Sri Chandra Shekhar said that the national convention of the party to be held in December would elect a new President. He said he would visit Karnataka again to address a two-day State-level convention in November.

Mysore, Sept. 4  
Minister of State for Railways C.K. Jaffer Sheriff will be travelling along with Press and television representatives today by the trial special of the Kaveri Express. The luxurious train is scheduled to be introduced between Bangalore and Mysore at a later date.

State Janata Party President H. D. Deve Gowda presided. Messrs Madan Mohan Naik, A. N. Somiah, Dodde Gowda, U. M. Madappa, Bandi Gowda, A. Ramanna and Vedantha Hemmige spoke. City Janata Party President H. Kempe Gowda welcomed the gathering.

### PUBLIC MEETING

Addressing a largely attended public meeting at Town Hall, Sri Chandra Shekhar described the failures of the Congress (I) Government and charged that it was reversing many achievements of the Janata Party.

He appealed to the people to support the Party so that they could build a clean party in the country. He also criticised the Lok Dal and the Bharatiya Janata Party.

## Assembly Dissolution Before Year-End

—AZEEZ SAIT  
Mysore, Sept. 6

Former Minister Azeez Sait said today that he fore-  
saw the dissolution of the State Assembly before 1980.

Addressing a news conference, he said that this was very clear from the way the administration was being carried on by the Gundu Rao Ministry.

He also doubted whether there would be any expansion of the Ministry, which was being postponed for one reason or the other. "I suspect whether there would be any expansion at all. It is only a political jugglery", he described.

The closure of Vidhana Soudha was a clear indication of the "Rule of bureaucracy and not democracy". It also showed how the administration was being carried on. To accumulate large number of files and to close Vidhana Soudha to clear them reflected the efficiency of the administration, he criticised.

Even in the worst days of British rule, the people were not denied any opportunity to make representation to the officials.

The preventing of legislators to go to Vidhana Soudha amounted to breach of privilege, Sri Azeez Sait said and added that he would move a privilege motion when the Assembly met again.

**Take Action  
On Sheriff**

Demands TNN Murthy

Mysore, Sept. 9

Sri T. N. Narasimha Murthy, MLC, has urged the Congress (I) High Command to take serious note of the utterances of Minister of State for Railways C. K. Jaffer Sheriff and take steps to stop him from resorting to such "anti party actions".

In a lengthy statement, he said such an action was essential with a view to maintain party discipline.

Strongly supporting Chief Minister Gundu Rao, Sri Murthy charged that Sri Sheriff was unnecessarily intervening in the State politics at every step. While the "young and energetic" Chief Minister was trying his best to tackle the problems in the State, Sri Sheriff was raising unnecessary and irrational controversies, which were creating an impression that the Congress (I) was divided in Karnataka, he said.

**'Probe Into  
Mysore CITB'**

Mysore, Sept. 12

Sri C. Sampath of Kan-  
nada Chaluvali has urged  
Chief Minister Gundu Rao  
to entrust the enquiry into  
the "site allotment scan-  
dal" of the Mysore City  
Improvement Trust Board  
to the C.O.D.In a statement yesterday, he  
welcomed the probe into Banga-  
lore B.D.O. and the Chief Minis-  
ter's "bold" decision of suspen-  
ding the officials involved in the  
scandal. An enquiry was already  
in progress as regards the Mys-  
ore CITB. Although a junior  
engineer had been suspended, he  
had been reinstated, giving room  
for suspicion as to the fairness  
of the enquiry. Hence the en-  
quiry should be entrusted to the  
COD, he said.**STATEMENT CONDEMNED**While condemning the state-  
ment of Sri Sampath, City Youth  
Congress (U) General Secretary,  
M.V. Devaraj has alleged that  
Sri Sampath had obtained many  
benefits from the Junior Engineer.  
Irregularities like the one that  
had taken place in the Bangalore  
Development Authority had not  
taken place in Mysore and hence  
there was no need to entrust the  
enquiry to the COD, he said.**HOLIDAY NOTICE**There will be no issue of

## BANK ROBBERY CASE DETECTED "DEAD" WATCHMAN SHIVANNA ARRESTED

**Mysore, Sept. 15**  
The sensational million-rupee robbery case of the Mysore City Co-operative Bank has been detected by the Mysore Police headed by Police Superintendent L. Revanna Siddaiah.

They have recovered the entire jewellery and a major portion of the cash stolen from the bank by making a sensational detection that the robbery and "murder" of the so-called watchman, Shivanna, had been committed by none other than the watchman himself, with his associate Mohan Singh.

Besides the S.P. a team of police officers consisting of Circle Inspectors K.K. Kulkarni, N. S. Narayan, Sub-Inspectors. Hiriyanayya, Cheyanna, Head Constables Rachaappa, M. Mayanna, P. Mahadevappa, Muddumahadevaiah and Constables Nagaraj, Shivaraj, Chandrachari Dasappa, Muniswamy and Madaiiah working on various clues for several days and nights were able to nab Mohan Singh on Sept. 12. His arrest led to the detection of the entire case, including the arrest of 22-year-old Shivanna.

After committing the robbery of cash and jewels worth Rs 10 lakhs in all from the bank on July 7, they had invested a portion of the stolen wealth in running a general stores and Shivanna had assumed a fake name. The SP and other officers recovered the entire jewellery in tact from a room which Shivanna had taken on rent in Lingarajapuram, Bangalore.

The jewels weighing nearly eight kgs. of gold set in colourful

stones and diamonds of glitter were unknown to any member of that predominantly poor and lower middle class area in Lingarajapuram. The police have also sealed the general stores.

Giving details of the detection and the way robbery had been committed, DIG S.N.S. Murthy and SP Revanna Siddaiah told newsmen yesterday that Shivanna had gained knowledge of the working of the Bank while working as its night watchman, and with the help of his classmate Mohan Singh, who was working as a tailor in Bangalore, had committed the robbery. They managed to kill some one and burn his body giving an impression that it was Shivanna's dead body. Probe is on as regards the identity of the body.

According to Sri Revanna Siddaiah, this crime of cold blooded murder and clever manipulation had many interesting side-lights. In fact a Kannada story book found in the room of the culprits in Lingarajapuram had the title, "Koleyadavane Kolegarane?" (Is the murdered man the murderer?).

### Message of the Bagavad Gita

Mysore, Sept. 15  
The distinguishing features of the Hindu Vedas are that they are comprehensive in nature and are of divine origin (apourushaya). They purport to answer the questions: "Who am I?" "What is my relation to the Almighty God, the Creator and the Preserver of the Universe?" said Prof. V. T. Tirunarayana Iyengar while speaking at the Sarvabhasha Saraswathi Sangha here recently.

The Vedas enunciate Purusharthas or the life's objectives which may be regarded as the promise and the Anushtana or righteous conduct, which is the Performance. A close study of the Bhagavad-Gita in the light of the commentaries on it by the great Acharyas would reveal that it is in the nature of a symposium rather than a dogma, said Prof. Iyengar.

Earlier, Prof. M. V. Jambunathan, President of the Sangha welcomed the gathering. Sri K.V. Krishnaswamy, the Sevathadar proposed a vote of thanks.

### Bank Robbery Case

## MYSTERY OF DEAD BODY SOLVED

Mysore, Sept. 16  
The investigations in the next few days are likely to unravel more interesting points.  
**Identified As Gopal, Tailor Of Vidyananyapuram**

Following the arrest of the Bank watchman Shivanna and his accomplice Mohan Singh on Sept. 12, the police have now found that these two youths murdered Gopala and burnt his body in the bank, to give the impression that it was Shivanna's body.

Gopala is stated to be a friend of Mohan Singh, also a tailor. They selected him to be the victim as he was of the same age as Shivanna (22) and had the same built and stature. As he was a dull boy, it became all the more helpful for them to use him as their victim.

On the afternoon of 5th July, Mohan Singh went to Vidyananyapuram and sent words to Gopala through a 13-year-old boy. The boy who called Gopala from the tailoring shop is identified as the son of a barber, Raju.

From there Gopala was taken by Mohan and Shivanna, who made him to eat well and drink liquor. Later they took him to the Bank. The police have found the man from whom Mohan Singh also bought the empty kerosene tin in Sayaji Rao Road. Gopala's father, a driver in the KSRTC, and his brother today identified the half-burnt clothes of Gopala, it is said.

The police have recovered valuable articles like automatic wrist watch, tape recorder, speaker, new clothes, all belonging to Mohan, from his father's

## MUSIC

## Delightful Music

Smt. Charumati Ramachandran, wife of the well known vocalist, Sri V. Ramachandran, gave a vocal concert in the house of Sri K. Srikanthiah, an advocate and connoisseur of music, on the occasion of Mahaganapathy Mangalathi, on last Saturday.

Smt. Charumati began her concert with a Kalyani Aditala Varnam Vanj kshi. After singing a few songs in praise of Ganapathi, she elaborated Hari-kambodhi, rarely sung now a days, and followed it up with the kriti Entaranitana.

Another raga which surprisingly came for detail elaboration was Brindavana Saranga. She sang this effortlessly and even in the higher octave the nuances of the raga were well rendered with appropriate birkas and curves. Instead of Strangavihara, Sri Soundararajan of Dikshitar was sung.

Nextly, Bhairavi raga also was elaborated. This raga has its own majesty and beauty and they were well brought out. Tyagaraja's Raksha Pettare in this raga was sung with just enough Swaraprastharas. A few Devaranamas were also sung in the style of her Guru, Smt. Vasanta Kumari. Sri M. Nagaraja, a rising violinist, gave her very good support on the violin, and Sri P. G. Lakshminarayana and Sri M. A. Krishna Murthy gave equally good accompaniment on mridangam and ghatam.

## Senate Member Resigns

Mysore, Sept. 19

Sri S. Pattabhi Raman, Correspondent "Pr. Javani" has submitted his resignation to the Mysore University Senate.

Sri Pattabhi Raman had been nominated to the newly reconstituted Senate by the Chancellor. However, his name had not been included in the panel of five names forwarded to the Chancellor by the Karnataka Union of Working Journalists as required by Karnataka State Universities Act.

The nomination of a journalist from outside the panel had given room for adverse criticism. As it was in violation of the Act, the University had reportedly sought clarification from the Chancellor. Following this, the nominated member was asked to resign, it is stated.

Sri Pattabhi Raman, who was the nominated member of the previous Senate, representing the journalists, had made a vain bid for a nomination to the Syndicate, it is learnt.

## 'Nothing Political'

Mysore, Sept. 19

The meeting of three former Congress (U) Ministers with Union Education Minister Sankaranand in Bangalore on Wednesday has no political significance, according to KPCC (U) General Secretary D. Jayadevaraje Urs.

When pressmen asked him about the meeting which had created interest in political circles, Sri Urs clarified that Sri Basavalingappa had met Sri Shankaranand in connection with a "matrimonial alliance".

Sri Azeez Sait had met the Minister in connection with the improvements to the Gumbaz in Srirangapatna. However, Sri Urs said, he could not contact Sri Havavar, who had also met the Minister. But he was sure it had no political importance.

## Steps Not Taken To Tackle Drought

Mysore, Sept. 20

Former Minister K.B. Shiviah and KPCC (U) General Secretary D. Jayadevaraja Urs on Thursday strongly criticised the Gundu Rao Government for not bestowing proper attention to tackle the drought conditions in Mysore District.

Addressing a press conference, they said that none of the Ministers had cared to tour in the affected parts to assess the situation. Even the officials had not taken the situation seriously. Public distribution system had failed and the farmers were not getting enough kerosene.

Sri Shiviah complained that enough funds were not being provided for Kabin canal and other works. The district was getting a step-motherly treatment.

Criticising the 'Operation Files' in Vidhana Soudha, Sri Shiviah demanded that a break of the files pending when Sri Gundu Rao took charge, their total number when the drive was launched and balance remaining after the drive should be given to enable the public to have a correct picture.

Both Sri Urs and Sri K.B. Shiviah questioned the need for spending Rs 50 lakhs for Dasara festivities by the Government. Differences had started in the Gundu Rao Ministry and it would fall before the end of this year, Sri Shiviah said.

## Genesis Of Lord Ganesha

Mysore, Sept. 23

At a certain time when Parvati wanted a watch to be kept over the entrance to her residence, she created Ganesha and instructed him not to allow any one inside. When Lord Parameshwara came from outside some time later, he was denied admission by Ganesha. Enraged at this, Parameshwara flung his Trisool at him and it chopped off Ganesha's head. Parvati wanted to resurrect the dead child and wanted the head of some one who was sleeping with his head to the north. Her messenger brought the head of an elephant which was attached to the headless trunk of Ganesha. By Parvati's grace he came to life again, said Sri D. V. Narayana Rao, Retired Accounts Officer, KEB while speaking at the Sarvabhasha Saraswathi Sangha here on Ganesha Chowhi Day.

It is said that on a Chowhi, that is when the Moon God was in the fourth phase, he made fun of Ganesha. The latter uttered a curse that any body who looked at the Chowhi moon would become the victim of false accusation and undergo trouble. Listening to the story of Shyamantakamani is said to have the power of annulling the evil effects of this curse. On this account it has become a common practice to listen to the narration of this jewel Shyamantakamani on Ganesha Chowhi day. This jewel was presented by Surya, he said.

## READERS FORUM

### MOSQUITO MENACE

Sir, Subbarayanakere is situated wonderfully. It is in the heart of the town, surrounded by densely populated areas. It is an ideal spot for people to come and sit and children to play. Khokho matches and basketball, matches take place frequently here. There is also a pedestal built for lecturers to address audience from an elevation.

Such an ideally located place is ill-kept and misused. It has become a marshy place due to the gutter water running into it from the west from near the College Road. Mosquitoes have multiplied in millions and have become a menace to the surrounding inhabitants even during the day time. The place is stinking.

Mysore is said to be a garden city. Cannot a garden like the Chikk Lal Bagh in Bangalore be raised leaving enough space for children to play? The authorities concerned must give quick attention to diverting the dirty water first, and then raise a garden. Eventually the famous Mysore band may play once a week.

## Unique Protest March By Pressmen

Mysore, Sept. 26

Perhaps for the first time in recent years, the city journalists took out a procession through the main streets this morning to protest against the organised attempts of the ruling Congress (I) party to gag the press.

The entire corps of pressmen, excepting one or two, came out of their presses and reporting work, and went in procession to the Divisional Commissioner's office.

It was unique because generally the silent pressmen of Mysore had to take this extreme step to protest against the threat to freedom of the press. They were shouting slogans against the Youth Congress (I), Chief Minister Gundu Rao and the Bangalore Police for their inaction.

The peaceful procession started from the Lansdowne Buildings at 10-25 a.m. It passed through Sayaji Rao Road, Irwin Road, Asoka Road, Srirampet and Vinobai Road. As Divisional Commissioner B. R. Prabhakar was not in his office, a memorandum protesting against the siege of Bangalore newspaper offices and the failure of the police to prevent the blockade was presented to his Gazetted Assistant K. Mylaappa.

Receiving the memorandum, Sri Mylarappa remarked, "You have our support and sympathy". Later, District Journalists' Association President K. Ramanna addressed the gathering and

strongly condemned the Chief Minister for his outbursts against the press and Youth Congress (I) for its anti-press tirade.

Some newspaper employees, film reporters and photo journalists also participated in the protest march.

Dr. Gowda, who visited the college hostel recently, in the wake of the agitation by college students demanding more hostel accommodation, said in a statement yesterday that as against more than 500 applicants seeking hostel facilities in the college with a strength of 2,500, only 250 had been accommodated now that too by huddling as many as three students in each room.

**Mysore, Sept. 29**  
The much-publicised Vana Mahotsava programme, organised by the Sanjay Gandhi Programme Implementation Committee, at Alanahalli in H. D. Kote taluk on last Friday, had a poor start, with the Minister, who was to inaugurate it, and the MP, who was to preside over the function, failing to turn up.

The Implementation Committee, a new registered body with Sri D. T. S. Rao, who has shifted his loyalty from the Congress (U) headed by Sri D. Devraj Urs to the Indira Gandhi's Congress, as the Chief Convener, had organised the function.

A section of Youth Congress (I) workers in the city are reported to have requested Minister for Rural Development Begane Ramaiah and Sri M. Rajasekhara Murthy, MP from Mysore, who has made Bangalore his headquarters now, not to take part in the function since it was organised by the "Bangarappa Group".

However on the suggestion of a MP, only Sri V. Srinivasprasad and Sri M. Basavaraju, both MPs, who were invited to be chief guests, participated in the function, in which about 2,000 trees were planted. While Sri Basavaraju inaugurated the programme, Sri Prasad presided. Sri D. T. S. Rao was the chief guest and Messrs K. P. Shanta Murthy and novelist Alanahalli Krishna spoke. Sri Mante Lingiah welcomed and Sri K. Lokesh Rao proposed a vote of thanks.

## Music That Chastens

(Dr. S. S. Velamuri - K. T. Ramaswamiengar)

A special lecture programme of Karnatic Music and demonstration was conducted for three days from Sept. 16 by the Prasanna of the Mysore University. The Visiting Professor was Dr. S. Ramanathan, a very famous vocalist and Professor of Music.

Born on 8th April 1917 in Tamil Nadu, Dr. S. Ramanathan secured degree in music from the Anna Mali University with distinction. He was a disciple of Sabhesha Iyer, Ponniah Pillay and Tiger Varadacharya. He taught music in four American Universities during 1964-65 and 1970-72. He was awarded a doctorate for his thesis on "Music In Shilappadikaram" by the Wesleyan University.

On the first day of his lectures, Dr. Ramanathan traced the history of Karnatic Music from the Vedas to the present day. The Vedas were sung in two notes in the beginning and later in three and the Sama scale with seven notes. Bharata mentions Jatis and the word Raga is used for the first time by Matanga. The Gramas gave rise to Murchanas.

Vidyaranya conceived 15 Mela Ragas and Venkatakavi conceived the possibility of 72 Melakartas. This was done by Govindacharya who gave a nomenclature to them. Purandaradasa composed the music exercises in the Malava Gowla, a well balanced raga and gave the system a scientific foundation. Using this the great composers like Tyagaraja, Dikshitar built up the imposing edifice of music in which we live today.

The Silappadikaram of Tamil-Sangam period is a store-house of ancient

music. Pann is the name for Raga. The Tevaram hymns of Nayanmars contain about 23 Panns and 20 of them have been identified. Dr. Ramanathan sang some of them and demonstrated their beauty and variety.

The second day's lecture started with an introductory talk on Pallavi, how it has come to mean pada, laya and vinyasa. He sang in Todi Raga refreshingly in a detailed and a systematic way followed it with Tana, Pallavi in Vilamba Kalam with half a unit of Yeduppu and neraval and swara singing.

The final day was mainly devoted to a model concert. Dr. Ramanathan began with a Varanam in Darbar after a detailed Alapana. It was followed by Tyagaraja's rare kriti in Gurjari. He took up raga Athana and sang it beautifully. It looked like his trump-card.

Another raga chosen by him for detailed treatment was Sri-ranjini and the kriti was Brachavare. After Naradani Vadalina of Tyagaraja, he sang Syama Sastry's Brava Vamma, beautifully. Purandara Dasa's Hannu Bandida was sung in Hindola in a captivating manner. He sang ragas and closed the concert with Tyagaraja's Ramachandra Nee Daya, in Surati.

The programmes were interesting and instructive. AIR violinist Sri M. Nagaraj gave a very good violin support on the second and last day, but proved that imitation if resorted to has its limitations. On the first day, Sri S. Mahadevappa of the Fine Arts College provided the violin accompaniment. On all the three days, subdued mridangam support was given by Sri Nagabhusanacharya of the Fine Arts College.

Dr. Ramanathan who speaks as much as is needed and sings as much as is wanted possesses a fine mellow and obedient voice. He very ably demonstrated the greatness and beauty of Karnatic music. In this task, his son, Sri Thyagarajan provided subdued vocal support. The music-loving public thank the Prasanna and its Director, Dr. S. Prabhu Shankara, for arranging this fine programme.

An internal emergency has been declared in the country.

The Bangla Desh Government has declared a 15-day national mourning.

The military regime of Zia was carrying on large scale military operations against the tribal people in Chittagong Hill Tracts.

After announcing the news the Bangla Desh Radio appealed to the people not to pay any heed to rumours. It urged them to listen to the Dacca Station of Bangla Desh for correct and authentic news.

It also announced that Vice-President Abdus Sattar would be the acting President.

In a broadcast to the nation, Sri Abdus Sattar, who is also the Chief Justice, appealed to the people to remain united.

President Zia had seized power in November 1976 from Pre-

sident Abdus Sadar Mohamed Kayem, former Chief Justice and became the Chief Marshal Law Administrator. Next year, he took over as the President of the Republic.

His rise to power followed the assassination on August 15, 1975 of Sheikh Mujibur Rahman, who led the country to Independence in 1971.

Prime Minister Indira Gandhi has expressed shock over the assassination of President Zia.

## Weather In Mysore In June

(D. Krishna Rao)

Mysore, June 1  
The Southwest monsoon normally sets in Mysore during the first week of the month. With its arrival, there would be fall in day temperatures, increase in cloudiness and increased humidity. The pattern of rainfall would also change. The monsoon rainfall is generally associated with steady or intermittent rain without much thunder and lightning. Although the normal rainfall for the month is 60.5 mm. it could vary by as much as 25 to 30% due to variations in the monsoon current.

Generally, the monsoon rainfall is described as 'vigorous' over an area, if the actual rainfall is more than four times the normal, 'active' or 'strong' if it is between one and half and 4 times the normal rainfall and 'weak' if the actual rainfall is less than half the normal.

If the monsoon current is strong, the westerly surface winds would be strong and gusty and occasionally reach 60 to 70 Kmph during afternoon and evening; there would be less rain on such occasions. When the monsoon current is weak, the cloudiness will decrease and there would be rise in day temperatures; the weather situation then would be similar to what it was before the monsoon arrived. Heavy showers from large cumulus clouds would then be possible.

During this month, the average number of days of rain greater than 0.3 mm rain per day, is eleven; if the limit of rain is 2.5 mm or more per day, the number of such days is only five.

The average daily maximum and minimum temperatures are 28.9 and 20.2 degrees centigrade. The extreme temperatures earlier recorded were 37.2 degrees C on 1 June 1926 and 15 degrees C on 18 June 1936.

(Shekhar)

Mysore, June 1

Bishen Singh Bedi XI clinched the Winning Test Award of Rs 5,000 by defeating G. R. Vishwanath XI in a 40-over festival cricket match here at the Maharaja's College Ground yesterday.

The game began in a cloudy weather with Bedi XI opening play imperturbably. The game picked up after the fall of the first two wickets, when Sandeep Patil joined Chauhan. Scoring 158 runs, with 14 sixes and 15 fours, Sandeep emerged as the Man of the Match and bagged the cash award of Rs 5,000. Bedi XI scored 302 for 4.

On the other side, skipper G. R. Vishwanath entertained the spectators scoring 137 runs, which included four sixes and 20 fours. Vishwanath XI replied with 249 for 7 and lost the match.

The match which was originally intended to start at 10 a.m., began at 11-10 a.m. Since the match was a festival one, the players were not too serious. For some time, Eknath Solkar was batting wearing a scooter helmet and on the other side Sandeep Patil was fielding with an umbrella in his hand, to protect himself from the drizzle.

**Muslim Wrestlers  
Form Assn.**

Mysore, June 4

A meeting of Muslim wrestlers  
of Mysore and Bangalore was  
held at Anjuman-e Itehad-e-Islam  
here on June 1. Pailwan Sabulal  
presided.

The meeting alleged that the  
S. Channaya Garadi Sangha was  
a "cesspool of malpractices" con-  
sequent to which communal pas-  
sions flared up.

In order to promote heal-  
thy tradition of wrestling a com-  
mittee was formed with Pailwan  
Sabulal as President and Ifi-  
qhar Mohamed, Khaleel Quai-  
shi, Nisar Ahmed, Aijaz Pailwan  
Humayun, Pailwan Rehman and  
Pailwan Abdul Casith as mem-  
bers.

It was decided that the Com-  
mittee should recommend to  
the Government the ways of  
curbing the possibility of com-  
munal tension because of the  
present wrestling bouts in the  
city.

**UNHEALTHY  
COMPETITIONS**

Sri L. Jameel Ahmed Khan,  
Joint Secretary of Karnataka  
Social Welfare Committee, said  
in a statement that now a days  
the wrestling competitions which  
are being held in the city gave  
rise to communal tensions. The  
mistake might be on the part of  
the referees or spectators.

He appealed to the authorities  
to put an end to these "unhealthy  
competitions".

Mysore, June 4

Champu Kavya, a trea-  
sure of the land, must be

suggested Dr. Pu. Thi.  
Narasimhachar, well-  
known Kannada poet,  
here on Sunday.

He was distributing prizes to  
the winners of Gamaka com-  
petitions at the first anniversary  
celebrations of the Kavya Ran-  
gali Sabha.

Sri G. Narayana, former Pre-  
sident of Kannada Sahitya Par-  
shat, who presided, emphasised  
that dwindling of morals and  
language standards could be checked  
by the Gamakis reciting the  
ancient poetic lore in towns, vil-  
lages and at all important places  
where people gather.

Sri Narayana suggested the  
setting up of a State-level aca-  
demy for Gamaka.

Prof. H.S. Krishnaswamy Iyen-  
gar, who was the chief guest,

## Teachers Happy Over HC Decision

Mysore, June 6

The teachers of Mysore University are happy over the High Court judgment staying the transfer of a Reader, Dr. A. Ramalingam, from Mysore to Karnatak University.

The new University Act came into force in 1976. The Act empowers the Chancellor under Section 52 to make inter-University transfers. These transfers should be for the purposes of "Administrative reasons" only, it is stated.

Taking advantage of this Section, the Chancellor has effected transfers of four teachers during this month, for the first time, it is learnt.

They are : Sri Chandra Prakash, Reader in Commerce, from Mangalore to Bangalore, Sri Hanumanthappa, Reader in Commerce, from Mangalore to Gulbarga, Dr. Govindappa, Professor of Botany, from Mysore to Bangalore and the fourth being that of Dr. A. Ramalingam, Reader in Botany.

According to the teachers, the provision in the Act implies that services of teachers could be made use of even at personal inconvenience of a teacher to start a new degree or a specialisation in another university.

However, in reality, as it had happened in the case of above four teachers, the transfers, the teachers feel, are made to get rid of "inconvenient persons" in the University or to "favour other men".

Having this in mind, the Mysore University Teachers Association had recently appealed for the abolition of the above provision itself. They have also taken up a phased programme to achieve their demand.

It is stated that inter-university transfers do not exist in any of the universities, numbering over 200 in the country.

## SURVEY OF CORPN. PROPERTY

Mysore, June 6

To upgrade its property register, the City Corporation has taken up a detailed Mohalla wise survey of its property in each Mohalla.

This work has already been completed in respect of two Mohallas and the work in respect of remaining Mohallas is under progress.

Along with this detailed survey of its property, the Corporation will hereafter maintain details of the Corporation roads in each Mohalla and take note of the repairs done, when it was done and other details, so that watch could be kept over the number of roads repaired or asphalted and how long the re-

pair lasted etc.

This would enable the Corporation to take up systematically repairs of roads and also keep a watch over the quality of work done so that action could be taken against the contractors who do sub standard work, informs Administrator H K Shivnanda.

## 'Diversion Of Forest Wealth Causing Hardship'

Mysore, June 9

The Bharateeya Janata Party, City Unit, has drawn the attention of the Government to the "misuse" of forest wealth causing great hardship to actual consumers and men engaged in cottage industries.

In a memorandum submitted to the Chief Minister here on Sunday, the BJP leaders including Messrs H. Gangadharan, MLA, Putte Gowda, President and C. Shivabasappa, General Secretary, pointed out that the Harihar Polyfibre Factory was collecting several thousands of tonnes of fuel through its local agents. About 25,000 tonnes of firewood had already been stacked near Brindavan Extension on K.R.S. Road, by the side of the railway line.

Expressing surprise over the attitude of the Government in permitting such "misuse" of huge quantities of fuel for manufacturing fibre thread, which, it felt, had no use to common man, the memorandum observed that this "misuse" was the reason for the prices of fuel in the city and elsewhere to reach the maximum height.

While condemning the "wrong policy" of the Government, the BJP demanded that the Government should seize the huge stocks piled up near Brindavan Extension and divert the same for public use.

It also complained that bombos in large quantities were being supplied to paper factories marring the every career of the poor artisans engaged in cottage industries. It should arrange immediate supply of bamboo to them at cheaper rates, it demanded.

**Agitation If Firewood Diversion Not Stopped**

—GANGADHARAN

Mysore, June 12

Sri H. Gangadharan, MLA, has warned today that if the Forest authorities failed to stop the diversion of firewood from Mysore to Harihar Poly-fibre he would lead an agitation along with his party workers.

In a statement, he said the Mysore City Unit of the BJP had submitted a memorandum to the Conservator of Forests, Mysore, with a copy to the Divisional Forest Officer and Deputy Commissioner, apprising him about the stacking of fuel by a local agent for supply to the Harihar Polyfibre.

The BJP had also brought to their notice about its adverse ef-

fects on the forest wealth and non-availability of fuel for local consumption. It had requested the authorities to stop the collection of firewood by the agent and also to confiscate the firewood already stacked by the agent near Brindavan Extension and divert the same to the local depots for public distribution, he said.

Further, Sri Gangadharan said, the party had also submitted a memorandum to the Chief Minister here on June 7, but the stacking and supply of firewood still continued.

While regretting the "inept" attitude of the authorities, Sri Gangadharan warned that if the authorities failed to take action within a week a Satyagraha would be launched before the offices concerned.

### No New Farm Colleges

(From Our Correspondent)  
**Bangalore, June 13**  
Karnataka is not likely to have new agricultural colleges this year.

Last year the Government sanctioned three colleges, one each at Raichur, Kushalnagar and Shimoga. But, for want of funds, they are not functioning.

The Government recently appointed one man commission headed by Dr. G.V.K. Rao, former Chief Secretary, to review and suggest starting of new agricultural colleges, if need be. Sri Rao, in his report, has suggested more colleges the State in view of its vast area and the vast progress being achieved in the field of agriculture.

However, lack of finance seems to be the only hindrance for starting new agricultural colleges.

## Citizens To Man Traffic, SP

Mysore, June 15

The day is not far off when on a particular day all the traffic points in the city would be manned by citizens trained in traffic control, Police Superintendent L. Revannasiddaiah said yesterday.

Inaugurating the extension programme of the Citizens Vigilance Committee in K. R. Mohalla, he said that while there was tremendous increase in the number of vehicles in the city, the number of traffic police remained almost the same. There were only 111 traffic policemen while the number of vehicles had increased from 18,000 to 22,500. For 1,200 autorickshaws, there were 3,000 autorickshaw drivers.

The SP said that with the introduction of the voluntary night beat system by the Krishnappa Mohalla Vigilance Committee members, which had later been taken up in Lakshmiapuram and Vidyanarayapuram, the number of crimes in the three areas had come down considerably.

In fact, not a single house burglary had taken place during the past three months in K. R. Mohalla and Vidyanarayapuram, Sri Revannasiddaiah said.

Now it had been decided to extend the programme by giving training to the public in traffic control, rifle shooting and Karate, he said.

Distributing prizes and certificates, noted novelist Dr. R. K. Narayan described the novel scheme started by the police and the members of the K. R. Mohalla Vigilance Committee as a

## Ransom Bid Foiled

Mysore, June 15

A bid to collect a ransom money of Rs 3,000 from a business executive by an educated youth was foiled by the police last night.

The youth allegedly threatened a business executive residing in V. V. Mohalla to pay a sum of Rs 3,000 or to collect the dead body of his daughter. The business executive approached the SP for help.

According to the Police Superintendent, as demanded by the unknown person arrangement was made to keep a bag said to have contained Rs 3,000 near a school in Vontikoppal last night. The youth appeared to collect the ransom money and fell prey to the trap. He is now in Vontikoppal Police Station.

The youth has studied upto SSLC and is said to be a relative of the business executive. Having a "wayward behaviour" he drew inspiration by reading crime stories from books borrowed from a local circulating library, it is stated.

## SP GOING AS DIG

"resounding success". He expressed the hope that other areas would also benefit by the scheme.

Swami Jagadmanandaji of Sri Ramakrishna Ashram praised the scheme and those who were participating in it.

Sri K. M. Shivashankar welcomed and Sri M. S. Srikanth spoke.

## Chamundaraya Statue Planned

Mysore, June 15

A statue of Chamundaraya, the great Ganga Minister who caused the engraving of the Bahubali statue on Vindhayagiri, in Sravanabelagola, in the tenth century, is proposed to be erected at the famous Jain pilgrim centre.

Disclosing this to a group of newsmen of Mysore at Sravanabelagola yesterday, Sri Bhattacharya Swamiji said it was also proposed to construct a Travellers' Bungalow and a park in the name of Chamundaraya at Sravanabelagola.

He described the Mahamastakabhisheka celebrations, which concluded yesterday with the final holy bath to the colossus, as a "great success". The ceremonies lasting over four months had created a sense of awareness on Thyaga and Dharma. Any programme which tried to create an awareness among the people on Dharma should be welcomed, the Swamiji said.

Sri Bhattacharya Swamiji said that as part of the 'Jana Kalyan' programme, a number of schemes had been taken up for the benefit of the poor. Ten villages had been adopted for "model" development.

## Citizens To Man Traffic, SP

Mysore, June 15

The day is not far off when on a particular day all the traffic points in the city would be manned by citizens trained in traffic control, Police Superintendent L. Revannasiddaiah said yesterday.

Inaugurating the extension programme of the Citizens Vigilance Committee in K. R. Mohalla, he said that while there was tremendous increase in the number of vehicles in the city, the number of traffic police remained almost the same. There were only 111 traffic policemen while the number of vehicles had increased from 18,000 to 22,500. For 1,200 autorickshaws, there were 3,000 autorickshaw drivers.

The SP said that with the introduction of the voluntary night beat system by the Krishnappa Mohalla Vigilance Committee members, which had later been taken up in Lakshmiapuram and Vidyanarayapuram, the number of crimes in the three areas had come down considerably.

In fact, not a single house burglary had taken place during the past three months in K.R. Mohalla and Vidyanarayapuram, Sri Revannasiddaiah said.

Now it had been decided to extend the programme by giving training to the public in traffic control, rifle shooting and Karate, he said.

Distributing prizes and certificates, noted novelist Dr. R. K. Narayan described the novel scheme started by the police and the members of the K.R. Mohalla Vigilance Committee as a

## Ransom Bid Foiled

Mysore, June 15

A bid to collect a ransom money of Rs 3,000 from a business executive by an educated youth was foiled by the police last night.

The youth allegedly threatened a business executive residing in V. V. Mohalla to pay a sum of Rs 3,000 or to collect the dead body of his daughter. The business executive approached the SP for help.

According to the Police Superintendent, as demanded by the unknown person arrangement was made to keep a bag said to have contained Rs 3,000 near a school in Vontikoppal last night. The youth appeared to collect the ransom money and fell prey to the trap. He is now in Vontikoppal Police Station.

The youth has studied upto SSLC and is said to be a relative of the business executive. Having a "wayward behaviour" he drew inspiration by reading crime stories from books borrowed from a local circulating library, it is stated.

## The Urban Housing Nightmare

[Rents in India's town and cities are spiralling out of control and successive governments have taken little practical action. This article looks at the causes of the problem, from rural migration to speculation in land, and the steps that the government should take].

"You can't imagine my plight", says 28-year-old Ram Lal, an assistant in the Central government, "My total take home salary is only Rs 1,000 a month and it is just the rent of a two-roomed-flat per month in some middle class colonies in New Delhi".

If there is one problem to which every government in India has turned a blind eye, it is the problem of controlling spiralling house rents in urban areas. This inertia has resulted in a steep rise in rents of over 300 per cent in 10 years, making housing a nightmare for the new arrivals in cities.

In fact Ram Lal's Rs 1,000 a month salary is quite good in a country where 60 persons out of 100 live below the subsistence level, approximately earning Rs 1,200 a year.

With per capita income at Rs 1,048, rents for houses in India seem to have gone berserk. The rent for a two roomed flat in Vasant Vihar, a "posh colony" of New Delhi, has risen from Rs 1,000 to Rs 1,500 a month in just one year.

In Bombay, things are even worse. Whereas in New Delhi a single room, top floor tenement (called a Barasti), plagued by summer heat and a perpetual water scarcity, costs Rs 600 per month, in Bombay it is not even available at Rs 1,000 a month.

The result is that no middle-class unmarried person can af-

ford to rent out separate accommodation in Bombay. He or she has to become a paying guest, sharing a toilet and a small room for Rs 600 a month. "Even then you are lucky if you get it", says a junior executive working in a firm in Bombay. "I've been slumming with friends for over a year now". Over a million people sleep on the pavements in Bombay, simply because they can't afford to rent a house or a room.

### GOVERNMENT INERTIA

And the same story of scarcity in urban housing is repeated, with slight variations, from city to city, and from town to town. But planners warn that, cramped as the situation is, the housing problem is going to be much worse in future unless the Government acts.

Today, only one person in 10 in India owns a house. But in cities on the average one in five owns a plot on which he hopes to build a house. And the worst city in this regard is Calcutta where only one out of seven has a plot of land.

## Encouraging Defections Decried

Mysore, June 16

The Vidyanaraya Block Congress (U) Committee has strongly condemned attempts to instigate politicians to defect from one party to another party.

At a meeting of the committee on last Saturday, a resolution was adopted blaming the Congress (I) for the recent defections. The Congress (I) leadership was making efforts to obliterate Opposition parties by encouraging defections with a view to establish autocratic rule in the country, it alleged. It appealed to the people to realise the dangers of such an effort and "teach suitable lesson" to all those who made such an attempt.

Committee President V. Venkatesh presided. AICC (U) Treasurer Tuladasi Dasappa, T. V. Sripivasa Rao, former TDB President M. D. Basappa, Gururaju, KR Block Committee President Vishwanath and Smt. T. Sunandamma spoke. Sri Ananthiah proposed a vote of thanks.

Another prominent win in Uttar Pradesh is Begum Abida Ahmed, widow of late President Fakhrudin Ali Ahmed. She has won from the Amethi Parliamentary constituency.

### DHARWAR

### Union Cabinet Meets

The Union Cabinet which met in Delhi this morning is understood to have reviewed the political and economic situation in the country.

## Bewildering Urban Housing Scene

(From Yesterday's Issue)

Why is the urban housing scene so bewildering? It is because the cost of land has gone up 1,000 per cent since 1950. And as the exodus from the villages to the cities continues, around 500,000 migrants from the countryside to the cities every month, the housing scarcity becomes more acute.

Small wonder then that investment in real estate in India's cities has become not only a lucrative business but a profitable way of using black money. To cater to this rush of investors, thousands of people dealing in real estate have appeared in cities big and small.

But the housing racket wouldn't have existed had the government seriously tackled the problem. "What is to stop the government taking over all the rented accommodation, fixing the rent and handing it over to an agency for hiring out on a just basis", says O. P. Mehta, a Central government servant in Delhi, who is paying 50 per cent of his salary as house rent. "This would end the problem of escalating rents once and for all".

Many critics ascribe the government's inertia to politicians who do not want to annoy the property owners. In fact, most of the politicians are big property owners. "You wouldn't expect them to legislate against themselves", says Mehta.

**THE HOMELESS IN 2000 AD**  
The government has never seriously tried to plan and execute housing schemes aimed at providing housing accommodation for all. As things are it doesn't hope to house the homeless in the cities even by the year 2,000 A.D. Raising money—estimated at Rs 10,000 crores—annually to provide housing for all is no problem, but no one in the government is willing to plan on such a gigantic scale, much less put it into practice.

One doesn't have to go far to substantiate this observation. Out of 882,661 houses scheduled to be built by a conglomerate of central organisations in 1978, only 643,000 (or just 60 per cent of the target) have been built so far. And this is despite the fact that there is no dearth of funds, building material or labour to complete this work.

On top of everything, bureaucratic corruption seems to have crept even into the real-estate bu-

business set up by the government. This spells doom to the hopes of the needy for a roof over their head. Many cases of civil servants owning houses in government colonies have been raised in the press.

According to one estimate, 75 per cent of the state-owned land meant for building houses for various income groups in cities has gone to five per cent of the people—mostly in the higher pay packets. Only 25 per cent has been given to the deserving. "Our politicians only make speeches" says a 45-year-old Asan Bose, a school teacher in Calcutta. They shed tears over the plight of the poor, raise slogans and there it ends".

Things will get much worse until the government streamlines its machinery, adopts a realistic policy on urban land, and takes up a massive house building programme.—DEPTH News.

## Favouritism In P & T Transfers?

Mysore, June 17

Smt. Shamshunnisa, Vice-President of the City Congress (I) Ladies' Wing, has alleged that certain officers had been favoured in the recent P&T transfers in the city.

In a statement, she complained that the Superintendent of Post Offices, in his memo dated June 5, had effected transfers favouring certain set of officials. The order had affected officials who had not completed their tenure also. Certain officials had been favoured with independent charge and official quarters.

Citing two examples, Smt. Shamshunnisa alleged that one of them had been transferred because he was "PMG's classmate".

She has urged the higher authorities to stop such arbitrary transfers in the interest of the public.

Mysore, June 17

Sri Heggade said that he was happy to participate in the 39th birthday celebrations of the Swamiji by inaugurating the nature cure centre.

He said that nature had endowed man with many gifts. Instead of destroying them, man should make efforts to understand the value of those gifts and make use of them for his betterment.

It was unfortunate that an attitude of belittling ancient practices and customs, which were mostly based on dharmic and religious principles, was increa-

### PEOPLE'S FORUM

### 'No Kannada Please'

Sir,—On 15.6.1981 at about 11-20 a.m., I went to the Rotary School on J.L.B. Road and met the Principal for seeking admission to a handicapped girl, Miss Surnat Jehan, to the VII Standard.

I was shocked to hear the Principal tell me that I should speak to her only in English and not either in Kannada or in Hindi. Unfortunately my English is not good. But in Karnataka if the head of an institution cannot communicate in Kannada, what can the Kannadigas do?

I am sure not all the parents who have their children in that school know English. In such circumstances how will the parents communicate with the Principal of the School?

Not only this, the Principal was smoking cigarette in her office, being observed by other children. Could she not smoke in private, if at all necessary?

You are known for your boldness in bringing out short comings of our society and I am sure you will certainly publish this letter.

## BJP ATTACKS MLA's STATEMENT

Mysore, June 18

The City Unit of Bharateeya Janata Party, has strongly denounced the stand taken by Sri D. Jayadevaraje Urs, MLA, who recently joined the Congress (I), regarding the bulk procurement of firewood by the Harihar Polyfibres through a local agent.

In a statement, Party General Secretary C. Shiva-basappa said the statement of Sri Urs on last Monday asking the public "not to worry" about the bulk procurement since the agent had come forward to release 5,000 tonnes for the domestic consumption was "irresponsible".

Sri Shivabasappa said the Government had committed itself to supply two lakh tonnes of firewood every year over a period of 35 years to the Harihar Polyfibre. If this supply was maintained any one could guess the fate of the forests in the State and the disastrous effect it would have on the ecological conditions.

Besides, a verification at the check posts of firewood sent by the Forest Department in lorries and carts to Mysore District, and the quantity that had gone outside the District, would clearly indicate the amount of revenue the Government was being deprived, he alleged.

Instead of realising these aspects it was strange that the MLA in his hurry to join the Congress (I) had come out with a statement supporting the huge supplies of firewood to the Harihar factory, the BJP General Secretary criticised.

It is learnt that the Chief Minister is toying with the idea of a mid-term poll to the Assembly "heartened by the prevailing mood of the electorate manifesting itself in the victory of Congress (I) candidates in the just concluded by-elections".

Informed quarters say that the Chief Minister is sounding his Cabinet colleagues about the prospects of a mid-term poll, though his personal disposition has not been snelt out. It was considered possible that he might convey the idea to the Central leadership during his ensuing visit.

The postponement of the Legislative Council session from June 22 to July 15 is considered as an indication for its abolition. Sri Rao is also likely to take up this subject with the party leaders.

**Eye Infection  
Spreading In City**

Mysore, June 19

The Madras eye infection is spreading rapidly throughout the city since last 10-15 days.

It is learnt that the conjunctivitis, originated from Madras, has come to Bangalore and thereafter to Mysore. The same virus infection is also seen in Kerala.

Inflammation of the conjunctiva is characterised by acute redness of the eyes, swelling, watering from the eyes, and foreign body sensation. The disease clears up within three days to one week. The virus might affect any individual irrespective of his age, it is said.

The spread of virus to Mysore was brought to the attention of the City Corporation Health Officer at a press conference recently.

The Health Officer said that the eye infection was due to a virus and there was no way of checking it from spreading from one individual to another, except taking preventive steps like keeping away from persons who are affected and if affected taking medical treatment.

Since it is a contagious disease, towels and other articles of the patient should not be used by others. The eyes should be washed with clean cold water or luke warm water. The patient should not rub the eyes and if necessary he may use dark goggles.

**'Charges Far  
From Truth'**

—Vedantha Hemmige

Mysore, June 19

Sri Vedantha Hemmige, President of Vani Vidya Mandira in Vidyanayapuram, has expressed surprise over the reports appearing in some local dailies (not in "Samachar") that there was misappropriation of funds in the school.

In a statement yesterday, he said the allegation that he had brought pressure for taking his wife and relatives on the committee as office bearers was also far from truth.

Sri Hemmige said that he was associated with the Vani Vidya Mandira as its President for the past 22 years and if he wanted that his relatives should become the office bearers he could have done so long ago. Instead, he had helped the school to grow during this period as a prominent institution in the area.

He said even if there was any misappropriation of funds, Smt. Latha Rao, who was the Secretary till recently, could have brought to his notice or to the managing committee. It was surprising that she was raising the issue elsewhere for reasons well known to her.

Sri Hemmige alleged that some vested interests were keen on taking over the institution into their hands. The Pourahita Simrakshana Samithi headed by Sri Sreepada Rao was also making efforts in this direction for the last two years. Hence, it was not surprising that it had come out with this allegation openly he said.

However, he assured that he would examine the allegation of misappropriation of funds and if it was found to be true, as President of the Vidya Mandira, he

**No Discussion On  
Conversion**

Mysore, June 19

The first district level conference of Harijans, Girijans and Muslims, proposed to be conducted here during the middle of August, would not consider the question of Harijans embracing Islam. Conference Convener H. W. Mohammed Ali made it clear yesterday.

Speaking at a news conference, he said the conference aimed at bringing about cordial relationship between Hindus, Muslims and other communities. "We want the unity of Hindus and Muslims and all the other States should follow what the Congress (I) workers are doing in Mysore," Sri Mohammed Ali said.

Asked why Christians had been left out from the conference, he said as a first step the three communities were coming together. The next step would be to include Christians and Brahmins.

Another convener, Sri Mante Lingaiah said the conference would concentrate on the "burning problems" facing the minority groups. It would also examine the issue of reservations to the Scheduled Castes, Tribes and Muslims.

Sri Ali added that the minorities had stood by the Government for the last 30 years. "This Government has been established by the minorities. They have provided a stable Government. So, we deserve a better treatment," he said.

**CALL NOTICE ON KHAN'S EPISODE****Session To Be Stormy**

(From Our Correspondent)

**Bangalore, June 22**  
The 34-day budget session of the State Assembly is likely to have a stormy beginning here today. The session begins at 1 p.m.

The alleged assault and hurling of abuses on police in the J. P. Nagar Police Station by Sri F.M. Khan, MP, on June 13, and the supply of contaminated water by the Bangalore Water Supply & Sewerage Board to the citizens of Bangalore figure in the official agenda through call attention notices on the very opening day itself.

The interval between the last session and the current session has witnessed a spate of incidents, a few of them causing lot of embarrassment to the Government. The few incidents that have reportedly taken place during the last few days alone are enough to put the Government in a perplexed situation. These have provided enough material to those Opposition members who want to make a strong attack on the Gandu Rao Government.

It is not therefore surprising that Sri F. M. Khan's alleged misbehaviour has found the top place through a call attention notice.

When the House meets many members will find their seats shifted from the Opposition benches to the ruling party side. The very same members who had opposed and criticised the Government in strongest terms in the previous sessions will have to support it now, more so, to show their loyalty to the party.

**UNITED FRONT**  
On the Opposition side formation of a United Front is imminent. Congress (U) leader Devraj Urs has already said that his party would join any group to oppose the Government in House. However, the formation of the United Front might take some more time.

Similar piquant situations had arisen for the Opposition in the past. In 1970, a United Front under the Samyukta Vidhayak Dal had functioned under the leadership of Sri S. Sivappa. In 1967, 43 members belonging to various groups had desired to form a front, but the then Speaker B.V. Baliga had refused to give recognition to it.

Elaborate security arrangements have been made around Vidhana Soudha. Prohibitory order is also in force.

**TOMORROW'S ENGAGEMENTS****Mysore, June 22**

**Varsity Senate Meeting****Mysore, June 22**

The adjourned meeting of Mysore University Senate will be held on July 6 at 11 a.m. in Crawford Hall.

**Bank Case Begins In Court****Mysore, June 22**

The Mysore City Co-operative Bank robbery case began in the Sessions Court here today. Witnesses will be examined during the trial. It may be recalled that the Bank Watchman, Shivanna, with the help of Mohan Singh, had allegedly murdered Gopala, a tailor boy, and stolen jewellery and cash valued in all about Rs 10 lakhs on July 7, 1980.

**SANJAY JAYANTHI TOMORROW****Mysore, June 22**

The first death anniversary of Sri Sanjay Gandhi will be observed tomorrow throughout the district by the District Rural Youth Congress (I) Committee.

As part of the programme, the committee office bearers led by President M. P. Venkatesh toured in the district for four days from June 15.

**Opp. Moves Motion Against Ibrahim**

—AK Subbiah  
Mysore, June 22

The Vysya Bank had booked Sri F. M. Khan, MP, by paying Rs 25 lakhs to him, alleged Sri A. K. Subbiah, President, State Unit of Bharateeya Janata Party yesterday.

The Bank had given the amount to Sri Khan as an "Industrial Loan", he said. Wondering what industry Sri Khan was running he said, as far as he knew Sri Khan was running a "Goonda Industry".

Although the Bank had come out with a statement saying that everything was good in the bank it had failed to say anything about the amount it had advanced to Sri Khan, he said.

### MLC Attacks Rao Ministry

Mysore, June 23

The Gundu Rao Government had set up a record in maladministration during its one and half years of administration. BJP President A. K. Subbiah, criticised here on Sunday.

During its brief regime police had opened fire at 25 places killing 45 persons there was a record 77-day strike by the public sector undertaking employees and there were a number of atrocities on poor and innocent people, he said.

Addressing a public meeting at Town Hall maidan, Sri Subbiah said that Sri Gundu Rao, who became responsible for the liquidation of a co-operative bank while he was a clerk in Coorg, was now engaged in bringing down the Vidhana Soudha.

There were so many charges against five Ministers of his Cabinet, including Sri C. M. Ibrahim, they could be straight away taken to the police station, he criticised.

Making a scathing attack on Sri Ibrahim Sri Subbiah said the Minister was involved in a number of episodes including the Krishna Murder case, roller flour mill licence scandal, anti national activity in Arab countries, Kaveri Emporium Parcel scandal, and the latest wrongful confinement of Smt. Padma of Bhadravathi. He described Sri Ibrahim as an "habitual offender" and Sri F. M. Khan as a "Super Chief Minister".

Sri Subbiah said it was only the people who can teach a suitable lesson to the Government, which had established a notoriety for its corrupt administration. BJP could be the only alternative party to the ruling party, he claimed.

## Firewood Scandal Central Probe Demanded

Mysore, June 23 State BJP President A. K. Subbaiah described here on last Sunday the deal of the State Government with the Harihar Polyfibre for the supply of firewood from the State forests as "a scandal much more serious than the spirit scandal of Tamil Nadu and Kerala".

He demanded that the Union Government should institute a judicial inquiry into this scandal also on the lines of the inquiry it had ordered into the spirit scandal.

"If such an inquiry is instituted, I will prove my charge to the hilt. I am making this charge in all seriousness and responsibility", he said.

Speaking to newsmen, he said that the firewood scandal was something more than what meets the eye. This scandal was going on in Karnataka for the past several years, right from the period of Sri S. Nijalingappa, when he was the Chief Minister, he alleged.

Sri Subbaiah also alleged that this deal was being operated by an axis of "unscrupulous politicians, timber smugglers and officialdom". Almost all the Forest Ministers were involved in it. However, he did not know about the present Forest Minister, Sri Made Gowda.

He said that it was during the brief period when Sri Kagodu Thinnappa was in charge of this portfolio that a "fictitious" firm by name Coorg Timber Traders, Mercara, had been formed. The

## READERS FORUM 'Dead' Street Lights

Sir I request our respectable Corporation Commissioner, through your columns, to kindly tour after dusk the N. R. Mohalla and such other areas on horse-back and see the dark spots and the deserted look of our once most beautiful Garden City.

For want of replacement of 'dead' street lights, uncared for from months together, inspite of repeated reminders, areas in N. R. Mohalla have remained dark causing hardship to the public. I hope at least now the Corporation Commissioner evinces some interest and helps the residents. —HAJI M.A. JALEEL

### JSS High School

Mysore, June 23 Eighth and ninth standards have been started from this year in the JSS High School at Sidhartha Nagar for the benefit of the residents in the area.

Congress (I) Secretary of Sunkoppal who was the right-hand man of Chief Minister Gundu Rao, was the king-pin in this timber scandal, he alleged.

He said as much as 35,000 acres in the Western Ghats had been leased out and the "startling revelation is that they are all reserved forests", Subbaiah said.

The BJP leader said he was not in a position to assess the huge loss the Government was suffering because of this scandal, apart from the impact on ecological and other factors. In fact, even the Chakra, Varahi and Bedthi projects had been taken up because of these vested interests, he charged.

## No Rule Of Law In State, Azeez Sait

Mysore, June 26

It appears that the ruling party is firm on suspending the entire Opposition for the whole session because they know that they cannot face the Opposition in the Assembly, former Minister Azeez Sait said yesterday.

Addressing a news conference at the Congress (U) Party office, Sri Sait said that after the case relating to Planning & Welfare Minister C. M. Ibrahim, the Opposition wanted to raise the episode relating to Sri F. M. Khan, MP, through a call attention notice in the Assembly.

With the increasing number of atrocities being committed by the Congress (I) leaders on poor and innocent people in the State, the Opposition parties had realised that they should come together to safeguard parliamentary and democratic principles.

As a sequel to this, a public meeting would be held in Mysore on June 28 jointly by the Opposition Parties. Messrs Devaraj Urs, Chandre Gowda (Cong-U), S. R. Bommai, Lakshmi Sagar (Janata) A. K. Subbaiah, H. Gangadharan (BJP) and Kakkilaya (CPI) would address the meeting at Town Hall Maidan, he said.

Sri Sait asked what was the secrecy in shielding Sri Ibrahim by Sri Gundu Rao. Because of the behaviour of one Minister, communal harmony had been disturbed in entire Shimoga district, particularly in the case of minorities, he regretted.

The leaders were also likely to address a meeting at Shimoga on June 30 and visit the village, Geddanelekere, of Smt Padma, Sri Sait said.

He added that there was no rule of law in the State. The Opposition had to fight the 'jungle law' by mobilising public opinion.

Sri Somasundara Sharma of CPI said if democracy had to survive in the State the rule of law had to be protected. The

Chief Minister was raving like a "mad dog" attacking everybody. "He has become power mad and lost sense of proportion" he criticised.

**CITY CONG (U) MEET**  
City Congress-U President L. Chikkaragappa announced that the City Congress (U) Committee would meet on June 30 at 3-30 p.m. at the Party Office Congress (U) President Devaraj Urs and KPCC (U) President D. B. Chandre Gowda would address

Messrs Tulidas Dasappa, former MP, H. Kempe Gowda and A. Ramanna of Janata Party were also present at the press conference.

## Remove Gundu Rao Government Opposition Leaders' Call To People

Mysore, June 29

If Prime Minister Indira Gandhi failed to stop the atrocities being committed by her partymen in Karnataka people in the State would be left with no alternative but to rise in revolt, Congress (U) President Devaraj Urs warned here last night.

Addressing a mammoth public meeting at Town Hall Maidan, organised by four Opposition parties jointly, Sri Urs said that as far as the Opposition parties in the State were concerned they were prepared to launch an agitation and if the people, who were the masters in democracy, gave a call, they were even prepared to resign from State legislature.

He defended the Opposition dharna in the Assembly and said the question involved was not just the removal of one Minister (Sri Ibrahim) or action against a MP (Sri F.M. Khan), but larger issues like the safety of women and safeguarding the democratic rights.

Sri Urs said the drama that was being witnessed in the State was not "Ibrahimayana" or "Gundarayana" as described by the earlier Speaker Sri D.B. Chandregowda but it was "Indirayana". Sri Gundu Rao described himself and his men as "Indira Gandhi Krupapashita Nataka Mandali". "The drunken monkey has been bitten by a scorpion, Sri Ibrahim, now", he ridiculed the Chief Minister, by quoting a Kannada couplet.

The situation was so hopeless that it was impossible for Sri Gundu Rao to remove Sri Ibrahim, because the "roots" of Sri Ibrahim had spread to his house also. The Chief Minister knew last day he dismissed Sri Ibrahim, he too would have to go.

The situation was no better for Sri Urs. Her position was also the same as that of Sri Rao and she was also not in a position to remove the Chief Minister.

State Janata Party President S.R. Bommai said people in the State had to think seriously about the way the Congress-I Government was functioning. The time had come to remove "corrupt" Government of Sri Rao. KPCC (U) President D. B. Chandre Gowda described the present Assembly session without the Opposition as a meeting of the Congress (I) Legislature Party without any sanction. The Opposition members had come to people to explain the sad situation in the State as they had realised that their fight in the Assembly was of no consequence.

If Kannadigas wanted to safeguard their respect and honour they should not hesitate to declare a war against the present "corrupt" Government which had sacrificed their prestige and honour, he said.

Sri Gangadharan, Sri Lakshminagar, MLAs, also spoke. Sri Azeez Sait presided. Sri L. Chikkarangappa welcomed and Sri H. Kempe Gowda proposed a vote of thanks.

## POOR RESPONSE FOR BUNDH : 36 HELD

Mysore, June 30

The call for Mysore Bundh given by the Kannada Paksha evoked poor response here today for lack of support from political parties and other organisations.

The political party leaders who were also toying with the idea of giving a call for Mysore Bundh had not favoured the call for bundh given by the Paksha. However, the Paksha had gone ahead with its decision.

The call had been given to demand the resignation of Planning Minister Ibrahim, to oppose the suspension of Opposition parties from the Assembly session, to protest against the action on police officers, to condemn the behaviour of Sri F.M. Khan, M.P. with the police officers and the remarks of Chief Minister Gundu Rao against the newspapers.

While all the shops and business establishments are open in the extensions, even in busy areas like Sayaji Rao Road, Ashoka Road and Dhanvantari Road many shops were open. Hotels, however have been closed in the busy areas. City Buses and autorickshaws are plying as usual. Schools are also functioning normally.

Elaborate Police bundobust has been arranged and pickets deployed at all important places throughout city.

Some persons were taken into preventive custody by the police last night, it is learnt.

Five persons belonging to the group which had given the bundh call, 30 anti-socials and one of three persons who were intimidating a hotelier near Bus Stand have been arrested, says SP.

No untoward incident had been reported till noon.

## READERS FORUM

### Cycle Stand Needed.

Sir, It has become difficult for the general public to keep their cycles at the premises of Tahsildar's Office and the Taluk Police Station which are opposite to each other.

The police do not allow public to park their cycles in front of the police station. The public are afraid of parking their cycles at a distance from the Tahsildar's Office. Therefore, they are forced to park their cycles in front of the Tahsildar's Office itself, which is in front of the police station.

I request the authorities to solve this problem by arranging a cycle stand near the Tahsildar's Office to enable the general public to park their vehicles safely. I also request the authorities to put "No Parking" boards where the cycles should not be parked.

## Muslim Families Evicted By Force

Mysore, July 4

About 250-member Muslim families were forcibly evicted from the Survey site No. 144 of Maragowdanahalli, near the Ideal Jawa Factory, in the early hours of Thursday, it is learnt.

They had 'unauthorisedly' occupied the land which belonged to the Government. Following a complaint in a section of the press, the forcible eviction took place by the police and revenue authorities, it is stated.

However, the people, who were uprooted from their places with their families and belongings, claimed that the site was a wakf property and the open land around the Gummamshali tomb there was meant for holding the annual Urs.

A daily published from Lashkar Mohalla has strongly criticised the action of the police and revenue authorities and urged the Government to order an enquiry into their 'highhandedness' and also against those who 'cried wolf' and tried to make it a 'public scandal'.

## Panel To Probe Into Varsity Exams

Mysore, July 6  
Vice-Chancellor K.S. Hegde told the agitated members of the Mysore University Senate today that a committee would be constituted to go into the working of the University Examination Department and complaints against it.

He agreed with the members, who spoke earlier during the zero hour, that the issue of examinations was engaging the attention of the university. The matter had been raised at a recent meeting of the College Principals. It was decided to have a thorough probe into the various aspects of the issue.

Prof. Hegde agreed that things which were not happening in the past were happening now. He too shared the deep anxiety of the members. He would constitute the committee soon, he assured.

Raising the issue, Sri Renuka Prasanna complained that there was disorder right from the stage of printing the question papers to the announcement of results. The rank lists were not being published since last few

years.

One commerce examiner had been paid over Rs 4,000 by the Department and he had functioned in different capacities, he alleged.

Sri Prasanna compared the Department to the working of the KSRTC and wanted the Vice-Chancellor to bestow his immediate attention and set right its working.

Sri Siddhaveere Gowda alleged that a part-time commerce lecturer of Davanagere had been appointed as paper setter, valuer, custodian and chief examiner. The conducting of examinations had become a "business".

## Death Roll May Go Upto 300

### CM Announces Judicial Enquiry Assembly Adjourns As Mark Of Respect To Victims

(From Our Correspondent)

Bangalore, July 8  
THE DEATH ROLL IN THE WORST-EVER LIQUOR TRAGEDY MAY GO UPTO 300 ACCORDING TO INDICATIONS AVAILABLE HERE TODAY. THE NUMBER OF PERSONS WHO HAVE DIED SO FAR IS 201.

### DEMAND FOR PROBE COMMISSION

(From Our Correspondent)

Bangalore, July 8  
Prominent citizens and leading Opposition members who have expressed their shock over the mounting number of deaths due to the killer brew since yesterday have demanded a Commission of Enquiry, as set up the Government of India for dealing with the Tamil Nadu—Kerala spirit scandal, to enquire into the tragedy in Bangalore.

Shocked by the heavy loss of life, even ruling party members are voicing their feeling in support of a thorough probe into this worst-ever liquor tragedy in the State.

A legislator caustically remarked that the claim of the Chief Minister that the State was now getting over Rs one crore excise revenue was because of this type of scandalous trade in liquor. Both police and excise officials were hand-in glove in the trade, he said.

The Victoria and more particularly the Bowring Hospital have become a veritable scene of dead bodies and the death roll is mounting up every few minutes.

More than 200 people have been admitted in Bowring and Victoria Hospitals.

### No More Postal Ballot

Mysore, July 8

There will be no postal ballot system in future for elections to the Mysore University Authorities.

The University Senate on Monday accepted the amendments to the statutes governing elections to the university authorities. The amendments had been made by a five-member Senate committee headed by Dr. K. Mahadev.

As per the amendment accepted by the House, all elections to the university authorities in future will be by personal ballot only. Every voter will be provided with an identity card containing his photo. No ballot paper will be issued unless the voter tenders his identity card to the polling personnel at the time of polling. While registering names for inclusion in the electoral rolls, registering graduates should send two photographs also.

It had requested the High Court to name a judge for conducting the enquiry, he said.

Sri Gundu Rao described the tragedy as "unbearable" and said the Social Welfare Department would make its best efforts to rehabilitate the poor and the orphaned people. Temporary assistance also would be forthcoming.

He praised the doctors who were waging a grim battle to save as many lives as possible. The latest figures show that 195 people had died. The death roll was increasing every few minutes, he added.

As per the suggestion of the Chief Minister, the Assembly adjourned without transacting any business as a mark of respect to the poor people who had died.

## CM's Statement On ID Tragedy

(From Our Correspondent)

Bangalore, July 11

Illicit distillation cannot be  
stopped until and unless people  
are educated, Chief Minister  
Gundu Rao said in the Assem-  
bly today.

Replying to a motion raised  
in the Assembly, he said that  
even if Prohibition was enforced  
people who were addicted would  
go to illicit liquor. The Govern-  
ment could only amend the  
Excise Act to make it more  
stringent.

The Government had all sym-  
pathy for the victims. It was a  
ghastly tragedy, he added.

## Plea To Ban Tamil Film

Mysore, July 15  
Kannada Chaluvali Kendra Samithi has demanded that the Tamil film "Mauna Geethangal", now being screened in Mysore and other parts of the State, should be banned forthwith by the Government.

Samithi General Secretary A. C. Basappa today alleged that girls of Karnataka, particularly of Mysore, had been ridiculed in the film. Indecent language had been used against them. The producer should apologise to the women of Karnataka, he demanded.

If the Government failed to stop the screening of the film, protest demonstration would be staged before the concerned theatres, he has warned.

## Plea For Double Road To KRS

Mysore, July 15  
Former Municipal President B.C. Lingiah has suggested to the State Government to convert the Mysore - Krishnarajasagar Road into a double road with double headed fluorescent lights and aide walls for pedestrians bordering either side of the double road.

In a letter to Chief Minister Gundu Rao, he said that the only highway connecting the Garden City of Mysore and the internationally admired Brindavan Gardens was the presently nameless Mysore-KRS Road.

This road was at all times of the day and night was over-crowded with fast moving heavy and light vehicular traffic as well as an appreciable number of pedestrian traffic. In view of the fact that programmes are afoot to further beautify the Gardens, the traffic might increase further, he said.

Sri Lingiah said the road at present was too narrow and the road users were constantly exposed to the risk of accidents. This hazard further worsened during nights due to insufficient and defective street lighting.

As the road is also used by the KSRTC city bus services, besides converting the road into a double road with fluorescent lights, provision of attractive bus shelters and circles with island parks would greatly enhance the beauty of the road, he has suggested.

agic death of more than 300 people in the recent liquor tragedy. It has demanded prohibition throughout the country and stern action against bootleggers. It has also demanded permanent relief to the affected families.

## TWO WOMEN RAPED AT KNIFE POINT POLICE ARREST ONE PERSON

Mysore, July 20

Four persons are alleged to have criminality assaulted and raped two women at knife point in the presence of their husbands in the early hours of July 13 at Ghousia Nagar in the city.

Taluk Police have arrested one Vittala and they are on the look out for three others, who allegedly committed the atrocity. Vittala (31) was produced before the Court and has been remanded to judicial custody till July 23.

The incident, said to be the first of its kind in the city, reportedly took place around 3 a.m. on July 13. The four persons are stated to have forced open the door of a house, situated between Kyathamaranahalli and Ghousia Nagar, near Nazarbadi.

The two women had got up around 2-30 a.m. to prepare meals for their husbands. The four persons, including Vittala, are alleged to have forcibly entered the house and committed the atrocity, threatening to kill their husbands, Syed Hameed and Sahid. After fulfilling their lust, the four persons are stated to have taken away some valuables. The police have recovered some clothes from Vittala.

In the morning, the grave incident was reported to the Kyathamaranahalli Panchayat as per the practice in the area. The Panchayat is stated to have given the verdict that the gang leader Vittala should pay a fine of Rs 2,000 and apologise.

Not satisfied with the decision of the Panchayat, the matter was reported to the Mysore Rural Police, who registered the complaint. It was also brought to the notice of the Police Superintendent. The immediate action

by the police led to the arrest of Vittala on last Friday. Police were also posted in the area to give protection to the residents there.

The two women, aged 20 and 25, have been sent to the State Home for Women for medical examination and other investigations.

Sri Abdul Majid, President of Ghousia Nagar Welfare Association, has thanked the police for their timely action and protection provided to the residents.

Although a clear position of their stand was not available immediately, it was seen that they were irked by the Chief Minister's attack on Sri Urs. They also wanted the re-signation of Planning Minister C.M. Ibrahim.

With the absence of the members of Congress (U), BJP, Janata and CPI, the deliberations were again confined only to the Ruling Party.

### Ban Capitation Fee System

Varsity Senate Members  
Plea To PM

Mysore, July 21

Five members of the Mysore University Senate, in a joint letter to Prime Minister Indira Gandhi, have requested her to prohibit with immediate effect the capitation fee system, in all its forms, throughout the country, by issuing an ordinance.

While welcoming the stand taken by the Government regarding the collection of capitation fee - "a very unhealthy trend in the field of higher education in the country in general and in Karnataka and Andhra Pradesh in particular" - they urged the Prime Minister to take note of the incapacity of some of the State Governments to resist the pressures that operated on them in favour of continuing this obnoxious system.

They, therefore, urged her to make use of the power vested in the Government by virtue of 'Education' being now in the concurrent list of the Constitution and issue the Ordinance.

With a view to help such institutions which would be affected by the ban on capitation fee, they suggested a suitable grant-in-aid code to cover such institutions which were presently collecting the capitation fee, and guidelines to the State Government to meet the extra expenditure of such institutions.

The four members are Messrs M.C. Resuka Prasanna, Chambi Puranik, V. Chikkavenkatappa, B. S. Pandit and L. Siddaveere Gowda.

### Shady Deal In Autorickshaws?

Sir, I booked one autorickshaw on Rs. 7.80 with M/s. Mysore Auto Agency, J.L.B. Road, Mysore. That day being the first booking day, there was huge crowd. I being a lady could not stand in the queue. My son, A Rudresha, presented my application. It was accepted with the fixed deposit amount and priority number was given to me as 131.

On 2.6.81, I was given an intimation with proforma invoice for Rs 17,471.90 to arrange payment. But when the vehicles arrived, the proprietor of the auto agency has by passed my priority Number 131 upto 150 without valid reasons, merely saying that there were no ladies in 'Q' on 8.7.80. But, he has given an autorickshaw on 25.11.80 to a lady by name Smt. Azemunnisa, priority No. 45, who was also not in 'Q' on 8.7.80.

His shows that the proprietor appears to be expecting some illegal premium. There appears to be some humbug in the dealings. Does it require to seek redress in court of law for all

## COP INVOLVED IN RAPE CASE

Mysore, July 23

A police constable is also alleged to have been involved in the Ghousia Nagar rape incident in which two women were reportedly raped by four persons in the early hours on July 13.

The police constable is stated to be on a month's leave and efforts are being made to trace him, it is learnt.

According to Sri Syed Hafizulla, General Secretary, DCC (I) Minor Cell, Vittala, who was the gang leader and who has already been taken into custody by the police, is an old criminal. He had been released from the jail just about a month back.

Sri Hafizulla visited Ghousia Nagar and met the husbands of the two victims, Syed Hameed, a painter, and Shaid, a ready-made garment seller.

While strongly condemning the reported rape incident, Sri V. Jayagiri Dasu, Secretary, City BJ, has criticized the attempts of some people to give a communal colour to the incident and disturb communal harmony prevailing in the area.

The incident had taken place due to the failure of the police to take action against the bad elements in the area in spite of several complaints, he alleged.

Sri Jayagiri Dasu demanded that action should be taken to book the culprits immediately.

**MODERN AUDITORIUM  
BEFORE '82 DASARA**  
ASSURES DIVISIONAL COMMISSIONER

Mysore, July 27  
Divisional Commissioner M.B. Prakash suggested to the All India Radio, Mysore, yesterday to conduct a Radio Music Festival during the ensuing Dasara festivities.

Delivering the valedictory address of the five-day Mysore K. Vasudeva-charya memorial second State level music conference, he said this would help in encouraging local artists.

He said music programmes would be conducted in the Palace Durbar Hall during this Dasara as in the previous year. There was also a proposal to hold music concerts during the Ugadi festival.

The Divisional Commissioner said there was need for a modern auditorium in the city. A recommendation had been made in this connection to the Government. An auditorium on modern lines would be constructed in the city for the proposed World Kannada Conference in Mysore during 1982. This may come up before the 1982 Dasara, Sri Prakash said.

He praised the Sangeeta Kalabharidhi Sabha for organising

the music festival.

Sri Vidyapayonidhi Theertha Swamiji of Sosale Vyasaraja Mutt, presided. The title "Ganarathnakara" was conferred on the Conference President, Vid. R. Chandrasekhariah. Sri Chandrasekhariah explained the deliberation of the five-day conference.

Vids. C. Rangaiah M. Cheluvarayasaamy, R.N. Doraswamy, Kanichena Venkatasubramanyam, A.K. Venkatanarayana, and Smt. R. Lakshamma were honoured on the occasion. On behalf of the musicians, Vid. Cheluvarayasaamy thanked the organisers for the honour.

Dr. R. Sathyanarayana said the conference had resolved to urge the State Government to make music a subject of school examination instead of having it as only an optional subject. It also suggested the publication of the compositions of Sri Jayachamaraj Wodeyar.

Sri Venkataramaiah welcomed the gathering.

### Auto Agency Explains Position

Sir,—With reference to the letter of Smt. Jayalakshamma published in your paper on 21-7-81, I would like to bring to your kind notice the following facts which may kindly be published in reply to the allegations made by the above mentioned lady.

1) We have very clearly advertised in all leading newspapers in Mysore, including "Samachar", that while submitting application for registering for autorickshaws the applicant should submit the application in person. This particular applicant has not done so.

2) After booking the vehicle through a representative, as claimed by the above lady, she has not approached us so far, either in person or in writing to our office.

3) Instead of coming to us to represent her case, she has found time to rush to the press as well as seek legal advice, which were not at all necessary.

4) As the lady was not standing in the queue on 8-7-80, the day when applications were received, this case and another similar case (Priority No. 118) were referred to our Sales Executive by us on 16-5-81, before her turn came. We received a reply from the Sales Executive asking us to bring the concerned files and discuss the matter personally. Accordingly, the papers were taken to Poona on 3-7-81. ## Ordinance Condemned

Mysore, July 28

The Centre of Indian Trade Unions, Mysore Unit, has strongly condemned the Ordinance proclaimed by the President yesterday prohibiting strikes in certain departments of the Government and public sector undertakings.

It said the Ordinance was nothing but a challenge to the entire working class of India. It was the first step of the ruling party to attack on the fundamental rights of working people as well as the other sections of the society, and thereby to put the entire nation into the notorious black days of the Emergency rule.

It called upon the working class, progressive and democratic forces to unite and fight against "this authoritarian and suppressive policy" of the Government.

Sri A. Ramanna, former State INTUC President, described the Ordinance as "draconian" and a step towards taking the country to the Emergency days.

## LIC, P & T Men Condemn Ordinance

Mysore, July 29

There has been more reaction in the city to the Presidential Ordinance banning strikes in the public sector undertakings.

The Insurance Corporation Employees' Union described the Ordinance as "extremely high-handed" and said it sought to take away the fundamental rights of the working class.

In a statement, the Union Secretary said the Government, instead of taking stern steps against the vested interests responsible for putting up prices and creating chaos in economy had chosen to attack the democratic rights of the workers.

The LIC employees reacted to the Ordinance by holding demonstration in front of the LIC Building yesterday, he said.

The All India P & T Employees' Co-ordination Committee described the Ordinance as "most unfortunate". The anti-labour policy of the Government was nothing but its utter failure to curb the sky-rocketing prices, it said.

Committee Secretary M. Ramaswamy said that the entire working class in the country, irrespective of their political affiliations, would stand united to fight for their legitimate rights of strike.

The P & T workers under NFPE organisation are taking up an opinion poll for a total P & T strike in the country on or after Aug. 20 to achieve their demands, he said.

The Janata Chaluvaligar President R. Shivashankaraswamy, Yuvejanata Secretary R. Chandrasekhar and Kannada Chaluvali leaders C. Sampath, Suresh Kumar Jain and N. Venkatesh have demanded the withdrawal of the Ordinance.

However, City District Cong-

Chief Minister Gundu Rao assured the House that whoever were responsible for the reported attack on Sri Salappa they would be duly punished.

Yesterday's incident has agitated the minds of many of the Congress (I) Legislature Party members. The issue is likely to be raised in the Legislature Party which is meeting this evening, on the eve of the Assembly session concluding on July 31. The Cabinet also met last evening.

There is a growing feeling here that Planning Minister C. M. Ibrahim may be dropped after the current session. It may be recalled that there was an unsuccessful discussion on the issue in the last meeting.

Replying to the budget debate, Chief Minister Gundu Rao incidentally mentioned the Opposition agitation against Sri Ibra-

him and said that agitation and Dharama would not solve any problem. There was procedure and method which had to be followed.

**LIC, P & T Men  
Condemn Ordinance**

Mysore, July 29  
There has been more reaction in the city to the Presidential Ordinance banning strikes in the public sector undertakings.

The Insurance Corporation Employees' Union described the Ordinance as "extremely high-handed" and said it sought to take away the fundamental rights of the working class.

In a statement, the Union Secretary said the Government, instead of taking stern steps against the vested interests responsible for putting up prices and creating chaos in economy had chosen to attack the democratic rights of the workers.

The LIC employees reacted to the Ordinance by holding demonstration in front of the LIC Building yesterday, he said.

The All India P & T Employees' Co-ordination Committee described the Ordinance as "most unfortunate". The anti-labour policy of the Government was nothing but its utter failure to curb the sky-rocketing prices, it said.

Committee Secretary M. Ramaswamy said that the entire working class in the country, irrespective of their political affiliations, would stand united to fight for their legitimate rights of strike.

The P & T workers under NFPE organisation are taking up an opinion poll for a total P & T strike in the country on or after Aug. 20 to achieve their demands, he said.

The Janata Chaluvaligar President R. Shivashankaraswamy, Yuva Janata Secretary R. Chandrasekhar and Kannada Chaluvali leaders C. Sampath, Suresh Kumar Jain and N. Venkatesh have demanded the withdrawal of the Ordinance.

However, City District Cong-

All the permit holders should contact their Mohalla Food Inspectors in advance and arrange to be present at the work spot at the time of the inspection. The cement permit for the quarter will be issued by the Food Assistant on the spot.

New cement permit cards will also be issued in the first week of August to all applications received upto Jan. 31, if they are in order. Those who have applied for cement within that date may take delivery of the cards from the District Office from Aug. 3.

★ Kannada Madhyama Horata Samithi : Meeting to chalk out future course of action, Ganohi Bhavan, Manasa Gangotri, 5-45 p.m. tomorrow.

ress (I) Minority Cell General Secretary N. I. Mathai has welcomed the ordinance and said there should be a total ban on strikes in the country. Since strikes were mostly instigated by vested interests, they should be put down with an iron hand, he said.

## LAST SESSION: BOMMAI'S DIG

(From Our Correspondent)

Bangalore, July 31  
Sri S. R. Bommai of Janata Party had a dig at the ruling party members in the Assembly during the zero hour this morning, when on the concluding day of the 35-day session, the Cong. I members stood up bitterly complaining to the Chair that their questions and all attention notices had not been replied by the Government even though they were sent two years ago. There was some confusion in the House when several Congress-I members stood up.

"After all this is the last session (of the Assembly). It can be clearly seen today. The ruling party members have picked up courage to complain against the Government," Sri Bommai remarked amidst laughter in the House.

Sri Bommai was indirectly referring to the reports in a section of the press here today that the Centre was contemplating mid-term polls in Karnataka and Andhra Pradesh.

The Deputy Chairman assured the Cong. I members that their questions had been sent to the Government and replies were yet to be received.

## MILK : PRICE HIKE 50p NOT 40p

Mysore, Aug. 1

The cost of Dairy Milk in  
Mysore City has gone up by  
50 paise and not 40 paise as  
announced by the Animal Husbandry  
Minister Y. Ramakrishna in the Assembly yesterday.

The milk buyers were surprised when they were told that the hike is by 50 paise and not by 40 paise as appeared in the morning newspapers. In fact, the Dairy notification was already there at the milk distribution points notifying a 50-paise increase from Aug. 1. The notification were put up last evening alone at these centres.

What surprised the consumers was whom to trust — Whether the Minister, who said the increase is by 40 paise, or the Dairy, which sold milk at 50 paise? Anyway the consumers were poorer by 50 paise a litre.

The Dairy received a number of phone calls this morning. The authorities could not explain the reason for this 10-paise difference. They stuck to the figure of Rs 2.80 a litre. For those who were really worried over the big hike, there was a word of assurance - the prices of milk products have not been increased.

Meanwhile, the hoteliers are contemplating a five-paise increase per cup of coffee, it is learnt.

## Ban Order Around Cong-U Office

Mysore, Aug. 3  
Prohibitory order under  
Sec. 144 of Cr.P.C. was  
imposed by the District  
Magistrate around the  
Congress (U), Office, near  
the Railway Station, yes-  
terday following the se-  
izure of the office by Cong-  
ress (I) youth workers on  
Saturday evening.

In view of the Election Com-  
mission's verdict that the Cong-  
ress (I) was the real Congress,  
the youth workers led by Messrs  
K. Harsha Kumar, R. Murthy,  
H. K. Anantha, P. Nagaraj,  
Shivaswamy, M. P. Venkatesh,  
Lokesha Rao and others broke  
open the lock of the office and  
occupied it.

When they were reportedly  
holding a meeting the Devaraja  
Police arrived at the spot and  
arrested 13 leaders. They were  
released later.

In a statement, Messrs Harsha  
Kumar, R. Murthy, P. Nagaraj  
and K. Lokesha Rao strongly  
condemned their arrests and de-  
manded an enquiry. They also  
warned that if the office was not  
handed over to the Congress (I),  
the party workers would launch  
a serious agitation.

### CONG-U CLAIM

The City District Congress (U)  
Youth Committee President H.  
P. Parashiva Murthy, in a state-  
ment today, claimed that the  
office belonged to their party as  
the land was of a trust. The  
police had taken action on a  
complaint lodged by them ag-  
ainst the Congress (I) youth work-  
ers, he said.

He has strongly condemned  
the 'repressive attitude' of the  
Congress (I) men.

## 78.4 mm Rainfall In July

(D. Krishna Rao)

Mysore, Aug. 3  
The city observatory re-  
corded a total rainfall of  
78.4 mm last month, 63  
mm of which fell during  
the last one week.

During this one month,  
average rainfall is 87.1  
mm and the average num-  
ber of rainy days (0.3 mm  
or more per day) is 15. If  
2.5 mm or more rain  
per day is reckoned as  
a rainy day, the aver-  
age number of such days  
is only seven. The rainfall  
is highly variable, the  
coefficient at variability  
being 80%.

The highest rainfall ever re-  
corded in the month of August is  
256.8 mm in the year 1910; the  
lowest on record is 19.6 mm in  
1953. Last year, in August, only  
25 mm rain was recorded.

The mean of daily maximum  
temperature is 27.9 degrees C and  
mean of daily minimum tempe-  
rature is 19.6 degrees C; the  
extremes are 33.9 degrees C on  
Aug. 5, 1899 and 16.7 degrees C  
on Aug. 12, 1928.

The average relative humidity  
at 8-30 a.m. is 84% and at 5-30  
p.m. is 67%.

Under the influence of low  
pressure area depressions in the  
seas, the monsoon current  
strengthens and strong surface  
winds from a westerly direction  
occasionally reach 50 to 60  
Kmph during afternoon and  
evening.

day decided to have a meeting  
with officials and school manage-  
ment committees in connection  
with providing primary educa-  
tion in Kannada alone. It urged  
for the implementation of the  
Gokak Committee recommenda-  
tions and opposed the starting  
of a Central School in Mysore.

## Woman Murdered For Gain

Mysore, Aug. 3

Smt. Shiksha Devi (65),

in 6th Main 6th Cross of

After committing the murder  
in the early hours, the culprits  
have carried away some orna-  
ments, it is stated.

Smt. Shiksha Devi was staying  
alone. The milk man and the  
neighbours found the doors of  
her house open in the morning.  
As suspicion arose, Smt. Shiksha  
Devi's son, Sri Anil Kumar of  
Bombay Tiffany, was informed.

When Sri Anil Kumar came to  
the house, he saw his mother  
lying dead with her hands and  
legs tied and mouth gagged with  
nylon socks. A gold chain, two  
pairs of gold bangles, ear rings  
and a gold ring were missing  
from her body. An almirah had  
been broken open and clothes  
and articles were scattered on  
the floor.

DIG S.N.S. Murthy, SP L.  
Revannasiddaiah and Additional  
SP Shafi Schannad visited the  
spot. The dog squad was pres-  
ented into action. Further in-  
vestigation is going on and no arrests

Mysore, Aug. 3

The Pre-University students  
walked out of their classes and  
took out a peaceful procession  
protesting against the "behavi-  
our" of Planning Minister C.M.  
Ibrahim here this morning.

Starting from D. Banu-  
miah's College, they went to  
JSS, and Maharaja's Col-  
leges. From there they went  
to the Deputy Commissioner's  
office and presented a memo-  
randum there. Their demands  
included removal of Sri Ibrahim  
from the Cabinet and steps to  
reduce rising prices. They also  
condemned the transfer of senior  
police officers.

The students were reportedly  
asked to wait till Aug. 10 for a  
decision regarding their de-  
mands.

The degree students, who were  
on strike on the same demand,  
returned to classes today, fol-  
lowing a similar assurance on  
Saturday, it is stated.

The students of Mahajana's  
College continued the strike  
today also.

He was inaugurating the  
first training course of the  
International School of  
Milling Technology at the  
CFTRI. Sri C. P. Nataraj-  
an, Director, CFTRI, pre-  
sided.

nology and trained personnel  
were essential to increase the  
output and reduce the process-  
ings losses.

## A PLEASING PERFORMANCE

(K T R)

Mysore, Aug. 3  
In the second Sangeeta Sammelan in memory of late Sri K. Vasudevacharya, arranged by the Sangeeta Kalabhairavini Sabha here recently, Sri M. A. Narasimhabhar, formerly of Mysore, but now settled at Bangalore, gave a vocal recital on July 23.

Starting with Kedaragoula Varna, he briskly sang three kirtans and came to the alapana of Athana. He did the raga well and sang Chedebuddhi Manura, for which the Yeddupis in Pallavi, Anunali and Charana are in Athana, Anagatha and Sama.

He took up the Thodi raga and gave a detail exposition of the raga and sang the kirtana Palayamam Brihadishwari in Rupaka thala. The raga alapana and swara singing were characterised by good patterns and were just enough. He then did the sloka Saptakara Madhye in four ragas quite impressively.

Sri Narasimhabhar, who is known for his style, appears to have improved his voice with his stay in Bangalore. Sri K. J. Venkatachar on fiddle and Sri V. S. Rajagopal on mridangam gave the vocalist very good support with the result that the performance left a pleasing impression.

## A GREAT RULER

(M.L. Subramanyaraj Urs)

Mysore, Aug. 3

It is but fitting for all Mysoreans, now the people of Karnataka State, to remember with gratitude the glories of His late Highness, Sri Krishnaraja Wodeyar, Maharaja of Mysore, this day the 3rd August 1981, as it happens to be the day on which he entered into eternal bliss and became one with unity (3.8.1940).

Every one of us should remember the great ideals and noble qualities for which he was known, namely : courtesy and kindness towards one and all, broad mindedness and generosity, faith and devotion to God and his attachments and attainments in the fields of arts and music with provoking thoughts for others.

Above all these, he was a great ruler, very much respected by no less a person than Mahatma Gandhi. His services to the country and in particular to Karnataka are to be written in golden letters since he spared no pains to make this State a model state as it were.

May his soul rest in peace.

(From Our Correspondent)

Bangalore, Aug. 4

Sri A. K. Subbiah (BJP) staged a walk-out in the Council this morning on the plea that Planning & Wafk Minister C. M. Ibrahim had no right to move an official Bill as there were some complaints and charges against him.

When Sri Ibrahim rose to move the Public Wafk & Extension Bill, Sri Subbiah took objection and said Sri Ibrahim should not move the Bill in his name.

The Chair rejected Sri Subbiah's demand. Protesting against Sri Ibrahim moving the Bill, Sri Subbiah walked out of the House. The Bill was later moved by Sri Ibrahim and the House approved it.

## MINISTER DEFENDS MILK PRICE HIKE

(From Our Correspondent)

Bangalore, Aug. 4

The sudden rise in the price of milk supplied by the Karnataka Dairy Development Corporation flared up in the Council this morning.

Messrs V. S. Krishna Iyer, Raghupathy, Pattaswamy Gowda and Smt. Mandanna bitterly complained about irregular supply and poor quality of milk supplied to the consumers. The sudden price increase had affected the poor and patients in the hospitals, they said.

Animal Husbandry Minister Y. Ramakrishna defended the price hike and said the Government was forced to increase the price due to abnormal increase all-round.

## MILK PRICE HIKE FLAYED

Mysore, Aug. 4

The enhancement of dairy milk price has been strongly criticised by the local BJP leaders.

Messrs Khimchand Jain, Vice-President, BJP City Unit, S. V. Subramanya of Bharateya Janata Yuva Morcha and B. J. Ashok, in a joint statement, demanded that the Gundu Rao Government should resign as it had failed to control the spiralling prices.

% The State Vigilance staff raided the houses of three Commercial Tax Officers on July 25 in Bangalore.

In irrigated areas. So far, 399 scarcity relief works had been taken up and an expenditure of Rs 33.58 lakhs incurred. About 307 works were in progress.

The Government had released Rs 22.90 lakhs in July and for August a request had been made for Rs 40 lakhs. Social Welfare Minister P. Venkataramana presided.

## IBRAHIM TENDERS RESIGNATION?

## Declaration Of Assets Minister Welcomes Suggestion

(From Our Correspondent)

Bangalore, Aug. 4

Public Works Minister K. godu Thimmappa welcomed the suggestion made by the members in the Legislative Council today for reintroducing the system of declaration of assets by Government officers and Ministers every year.

He said the reasons for not conducting the raids on houses of top IAS officers was not because of the Government's intervention, but because the Vigilance Commission had not received any complaints.

The Government had no intention at present to introduce the Lok Ayukta or Lok Pal Bill, he added.

## Cong-U Office Seizure Condemned

Mysore, Aug. 4

Sri L. Chikkaragappa, President, City District Congress (U) Committee, has strongly criticised the trespassing of some Congress (I) members into his party office on Aug. 1.

In a statement, he said that the place belonged to the "D. Devaraj Urs Socio Economic Political and Educational Trust". Just because some Congress (I) workers had recurred "illegal entry" into the office, it did not mean that the building belonged to them. His party would resume its activities there after the prohibitory order was lifted.

The Cabinet is meeting this evening. Later, there will be a press briefing.

Sri Rao, who is likely to reshuffle his Cabinet soon, is also expected to drop two other Ministers - Parliamentary Affairs Minister Y. Ramakrishna and Horticulture Minister Yenkatappa.

In the Council, when Sri Ibrahim started reading out a statement, there was a wordy duel between him and Sri A. K. Subbiah. Confusion prevailed for some time and the Council was adjourned sine die abruptly. Sri Ibrahim read out his statement in the midst of confusion.

Earlier, Sri Gundu Rao defended IGP Rao, against whom some members had raised allegations, as one of the honest, devoted and non corrupt police officers in the State. He condemned the statement of retired DIG N.G. Shelke against the IGP.

## YOUTH CONG-I CLAIM

Claiming that the premises belonged to Cong (I), Idris Khan, Vice-President, City Youth Cong (I), and A. R. Chotu said in a statement, that the Congress (U) office had been allotted to the Devaraj Urs trust, who was then in the Congress led by Smt. Indira Gandhi. The foundation was laid by Smt. Gandhi and had been called "Indira Bhavan". Now that the Election Commission had declared the Congress (I) as real Congress, the premises belonged to their party.

## IBRAHIM'S RESIGNATION WELCOMED

(From Our Correspondent)  
Bangalore, Aug. 5  
Political circles here have welcomed the resignation of the controversial Minister of Karnataka, Sri C. M. Ibrahim.

The resignation has been viewed in these circles as a moral victory for the Opposition parties, particularly for Sri A. K. Subbiah, the BJP leader, who brought to light one or the other "misdeeds" of Sri Ibrahim.

Even in the Congress (I) a section of the members are happy over Sri Ibrahim's resignation. While there was a sigh of relief in one section, another section was gleeful that Sri Gundu Rao had to drop yet another Minister, whom he was defending right from the day the controversies arose against Sri Ibrahim.

The Cong-U which boycotted both the Houses and BJP Janata and CPI only the Assembly, have been successful in getting the resignation of Sri Ibrahim on the concluding day of the session, for which they had launched a campaign jointly both in the House and outside.

## TWO BOYS HELD FOR ROBBERY

Mysore, Aug. 5

When the person went inside to bring water, they used to take away whatever articles that were immediately available. Sometimes, they used to threaten the person at knife-point and take away the valuables.

WITH GRAND MASTER

Mysore, Aug. 6

The Grand Masters and the  
International Masters holidaying  
in Mysore gave a simultaneous  
chess display here in the Univer-  
sity Gymnasium on last Satur-  
day. A rare event for chess  
lovers, it attracted 40 entries.

While the towering multi-  
linguist, Czechoslovakian Grand  
Master Marislov Filip made  
short work of his 20 oppo-  
nents, who tumbled like nine  
pins, the Dutch Grand Master  
Hans Ree emerged victorious  
over 10 boards and was held to  
a draw by young Prabhakar  
from Hunnur.

At a function after the dis-  
play, Ravindran of the State As-  
sociation, introduced the two  
Grand Masters. Smt. Leela  
Anjanappa, MDCA President,  
presented mementos to the  
visitors. Grand Master Filip,  
who also spoke on the occasion,  
was all praise for Praveen Thi-  
say and foresaw good prospects  
for the young lad at whose  
hands he recently tasted defeat.  
G.M. Ree endorsed the views of  
Filip. Pratap Rattehalli welcom-  
ed the visitors and Nagaraj Rao  
proposed a vote of thanks.

## Transfer Order Held Void

Mysore, Aug. 10  
The State High Court has quashed the order of the Chancellor transferring Dr. Hanumanthappa, a Professor of Bangalore University to the Gulbarga University.

In his 45-page judgment on last Friday, the Judge, Sri Rama Jois, held that since no common service conditions existed in the five universities in the State and no seniority list had been prepared, the transfer was not valid.

It may be recalled here that a controversy had arisen resulting in the filing of a number of writ petitions by those university teachers who have been transferred from their existing place to another university in the State. The teachers were also unhappy over these transfers.

## Stop Playing Of Cards

Advocate's Plea To Judge  
Mysore, Aug. 10

Sri E. S. Shivananjan Gowda, advocate, has appealed to Sri K. S. Puttaswamy, Karnataka High Court Judge and Administrative Judge for District, to stop playing cards in Bar Association premises.

In a letter addressed to the Judge, Sri Gowda said that a few persons of the Association were playing cards in the Bar Association premises since a few years regularly, violating its sanctity. It had not completely stopped inside of the assurance given earlier and the fast he had undertaken thrice.

While appealing to the Judge to stop the same immediately, he warned that he would undertake fast once again from Sept. 7, if no action was taken.

## Controlled Supply Of Dairy Milk Supply To Remain Affected For Some More Days

Mysore, Aug. 10  
The Mysore Dairy has arranged controlled supply of dairy milk to overcome the shortage of about 10,000 litres of milk it is currently facing.

The dairy is receiving only 44,000 litres of milk per day from rural parts as against the required quantum of 56,000 litres, leaving a deficit of 8,000 litres. This has resulted in cut in supply to the booths, according to the Dairy authorities.

The authorities, however, denied that the shortage was due to supply of milk from Mysore to Bangalore, where the supply to the consumers was taking place only once a day following shortage of skimmed milk powder.

The distribution in Mysore had only been "controlled" and not stopped, they pointed out. The booth owners had been instructed not to stop supply of milk to regular consumers, but only to restrict the daily sale effected in the booths, they told "Samachar".

A consumer however complained to "Samachar" this morning that at his booth the supply was irregular and he missed the supply once in the day. Another consumer said a litre of milk was being sold at Rs 3-20 as against 2-80 in some booths.

The Dairy authorities have also arranged sale of milk at their milk parlour near KSRTC Bus Stand. A serpentine queue

was seen there last night.

The authorities said the supply would improve in about eight days when regular supply would be resumed.

## Become Active Hedge Asks Partymen

Mysore, Aug. 10  
Janata Party General Secretary Ramakrishna Hegde said here yesterday that the price rise issue alone was enough to bring down the Government of Smt. Indira Gandhi.

Addressing the party workers, he told them not to remain as silent spectators of the different problems being faced by the people but to become active and take up their case. They should mobilise the public anger and disappointment and make use of the opportunity that was available to them, he said.

Sri Hegde said Janata Party alone could be an alternative to the Congress (I) and not the BJP. He also denied the reports of the Opposition Parties coming together. No such effort had taken place, he said.

State Unit President S. R. Bommai blamed the newspapers for not highlighting the exposures the party leaders had made against the Gundu Rao Government. They were only highlighting the statements of BJP leader A. K. Subbaiah, he criticised.

Sri Lakshmi Sagar also addressed the workers. City unit President H. Kempe Gowda presided.

## Presidential System Soon

Warns George Fernandes  
Mysore, Aug. 10

Sri George Fernandes, Lok Dal leader and MP, warned here yesterday that Prime Minister Indira Gandhi would introduce the Presidential system of Government in the country after the expiry of President Sanjeeva Reddy's term.

He said that Smt. Gandhi had already begun preparations for this. His party would strongly oppose the introduction of the new system, he warned. Sri Fernandes also criticised Smt. Gandhi acting like a headmaster and taking the State Governments and their officials to task sitting in the chair of the Chief Ministers. Her behaviour was totally against the provisions of the Constitution and needed to be opposed, he said.

He welcomed the further split in the Congress (U) and it was likely to split again, he said. He claimed that the Lok Dal was the only alternative to the Congress (I).

His Tanas in Ragamalika inclusive of Ghana ragas have not been heard for a long time. His Gamakas were specially impressive. The music sabhas must make more use of this outstanding Vainika of Mysore. He was ably supported by Sri M. A. Krishnamurthy on mridanga and Sri Raghavendra on morning.

The well-known Rudrapatnam Brothers, Sri Thyagarajan of AIR and Dr. Taranath of CFTRI, gave a very melodious display of five rare compositions of Sri Jayachamaraja Wodeyar, the late Maharaja. Their voice blended very sweetly and appeared as if one person was singing. They

## ENQUIRY AGAINST DDPI ?

Mysore, Aug. 11  
An enquiry against Sri Chikkaramaiah, Deputy Director of Public Instruction, had been ordered by Smt. Nagamma Keshavamurthy, Minister of State for Primary and Secondary Education, Sri M. N. Mahadev, President of the Mysore District Primary School Unemployed Teachers' Association, said in a statement today.

He said Sri Poovaiah, Joint Director of Public Instruction, had been appointed to enquire into the allegations of corruption, discrimination to handicapped persons and eligible candidates in the selection of teachers for primary schools held in June. The enquiry had begun on Aug. 10.

Sri Mahadev thanked the Minister and the JDPI for their bold stand. He also demanded that Sri Chikkaramaiah should be kept under suspension during the period of enquiry.

The JDPI office, however, denied that any enquiry

had been ordered against the concerned officer. The JDPI had been only asked to verify the concerned records and give a report, it was said.

It may be recalled here that Sri Mahadev had charged on Aug. 5 that the DDPI had committed irregularities in the selection of teachers for 450 posts in primary schools in the district and as a result deserving candidates had been denied opportunity.

Sri Mahadev had submitted a memorandum to the Minister on Aug. 2 in this connection and demanded an enquiry against the DDPI and also his suspension.

## Ayurveda Neglected

—V. S. Krishna Iyer  
Mysore, Aug. 11

Sri V. S. Krishna Iyer, Deputy Chairman of the Legislative Council, expressed his unhappiness over the indifferent attitude of the State Government towards Ayurveda.

Inaugurating a three-day free epilepsy treatment camp organised by the Ayurveda Prachara Parishat at the Govt. Ayurvedic College, on Aug. 8 he said that a number of posts had remained vacant in the department. There was not even a permanent director.

While the Government was keen on leading support to a dozen allopathic colleges, it was surprising why it did not encourage the Indian system of medicine, he said.

Sri Krishna Iyer appealed to the people and those who were keen on the progress of Ayurveda to bring pressure on the Government for the promotion of this ancient system of medicine.

Parishat President Dr. P. R. Sitaram, who presided, also expressed his disappointment over the continued negligence of Ayurveda by the Government. While foreigners were showing keen interest in Ayurveda, our leaders were closing their eyes, he criticised.

Sri V. Rajendra welcomed the gathering. Dr. M. G. R. Urs introduced Dr. Virayakarao Bapat who will conduct the camp, and also Sri Sitaragbava Vaidyashala for its help. Sri Basavaraj proposed a vote of thanks.

## Rumours Of Conversions In City Denied

Mysore, Aug. 12

The rumours that another Meenakshipuram would be repeated in Mysore when a large number of Harijans would embrace Islam on the Independence Day has been denied by the local Harijan leaders.

Former Municipal President Jogi Siddaiah discounted the rumours and said that no wind of Meenakshipuram could blow in Mysore. Harijans could not find solutions to their problems by embracing other religions. They should get united and fight for their rights, he said.

He appealed to his fellow Harijan brothers not to be lured by either money or other temptations. Once the Harijans were converted to a different faith, they would lose

all the concessions and privileges which they were enjoying now, Sri Jogi Siddaiah warned.

He also appealed to the Caste Hindus to treat Harijans as their brothers and help them to stand on their own legs with respect and dignity.

Meanwhile, the district level conference of Muslims and Harijans, the convening of which had cast some doubts in the minds of the general public and the community leaders, has been postponed, it is learnt. The conference was earlier proposed to be held on Aug. 14, on the eve of Independence Day.

## Shikshadevi Murder: 2 Held

Mysore, Aug. 13

The police yesterday arrested Satish Kumar Gupta (33), a former employee of the Bombay Tiffanys, and Shivanna (25), for the murder of Smt. Shiksha Devi in V. V. Mohalla in the early hours of Aug. 2.

The police are searching for one more person who is allegedly involved in the murder. They have recovered almost three-fourths of the jewellery belonging to Smt. Shiksha Devi from Shivanna. The jewellery stolen from the house of the lady after committing her murder was of the value of about Rs. 25,000.

Gupta, who is stated to be the main culprit, was running a sweet-meat stall at Anantapur. As he was incurring loss, he closed down his business and came to Mysore and joined the Bombay Tiffanys, which is being run by Smt. Shiksha Devi's sons, as a supervisor.

When Smt. Shiksha Devi went

on a month's pilgrimage, Gupta and his wife stayed in her residence to take care of the house. This enabled him to know her habits. The lady was a diabetic patient and was in the habit of passing urine frequently during night. She had to come out of the house and walk some distance to go to the latrine which was located in a corner of the backyard.

When Smt. Shiksha Devi returned from her tour, she found some articles missing in the house during her absence. Following this, Gupta was dismissed from service.

With a view to take revenge and for gain, Gupta, who was

working in a lodge, got in touch with his friend, Shivanna, hailing from an agricultural family near Nanjangud and another person, who is yet to be traced by the police, and allegedly planned the murder of Smt. Shiksha Devi. He had come into contact with Shivanna earlier at the sweet meat stall, where he was working.

On the night of August 1, all the three allegedly entered the compound. Hiding themselves in the corners of the house, they waited for the lady to come out. When Smt. Shiksha Devi came out to go to latrine, Gupta gave a signal to his associates, who allegedly closed the mouth of Smt. Shiksha Devi, dragged her inside and committed the murder by strangulating her.

The stolen jewels were recovered from the house of a relative of Shivanna in Hosur Bandikeri. Shivanna had allegedly hidden the jewels in a suitcase there. Twenty-nine stolen wrist watches have also been seized from Shivanna.
